# CLHM SERIES ACCESSORIES

Challenger's N E W 14,000 and 19,000 lb. capacity mobile column lifts can be customized to meet specific service needs. CLHM mobile accessories can assist with lifting heavy-duty trucks, transit and municipality vehicles, forklifts, and cab removal of standard pickup trucks with ease and simplicity.

## **OPTIONAL** ACCESSORIES

#### SUPPORT STANDS

SHORT STAND 20,000 lb. capacity each, 1" adjustment increments per stand CLHM-10-TH

MEDIUM STAND 20,000 lb. capacity each, 1" adjustment increments per stand CLHM-10-THF

HIGH-RISE STAND with Gas Assist 14,000 lb. capacity each, 2.75" adjustment increments per stand CLHM-7-THR

HIGH-RISE STAND with Gas Assist 20,000 lb. capacity each, 2.75" adjustment increments per stand CLHM-10-THR

#### **TRANSMISSION JACK**

2,700 lbs. capacity, 30" start height, max. height of 72", 360° rotating head with fore and aft tilt. First stage power is 100 percent air. Second stage power is air/ hydraulic for precise control. **CLHM-HTCJ-2000** 

1,200 lbs. capacity, max lifting height of 51" and air assisted hydraulic power system. Flexible design works with super single and dual wheel

assemblies, combines fore/aft and side-to-side tilt adjustment. CLHM-WDH-12

GLARE SCREEN Cover your integrated touch screen control console to make it more readable as well as protect it from dirt at a worksite. CLHM-GS

LIGHT KIT (PAIR) Illuminate work areas under your vehicle. Two magnetic lights per kit: one light for each column. CLHM-LS-LK

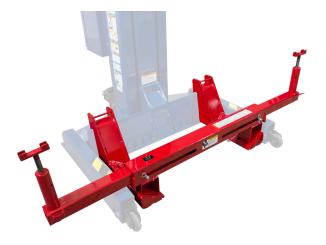

COVERS Protect your investment with mobile column covers. Choose between full or half covers. Sold individually. CLHM-CVR-F (FULL) CLHM-CVR-H (HALF)

# SPECIALTY LIFTING

CROSS BEAM ADAPTER 32,000 lb. capacity adapter allows you to lift by frame rails. CLHM-CB-32A

**CAB-OFF ADAPTER** 

A safe and efficient solution for cab-off vehicle maintenance. Adjustable length accommodates both 2- and 4-door trucks. **CLHM-CA-15** 

Height Adapters Features 3" and 6" height adapters to reach the most difficult lift points.

FORK LIFT ADAPTER 15,000 lb. capacity adapter allows you to raise a fork lift 64" CLHM-FLA

**END LIFT ADAPTER** 9,000 lb. capacity (per column) used to support vehicle from front and back. Designed specifically to lift Humvees. **CLHM-ELA-90A**
