

REGISTER YOUR LIFT

REGISTER

Challenger's 15000 2-post lift can expand your fleet service capability to heavier vehicles such as trucks and medium-duty commercial vehicles. Featuring low-profile 2-stage front and 2-stage rear arms, the 15000 offers symmetric lifting capability. A single-point air actuated lock release system that disengages column locks simultaneously. Stack adapters come standard. 2' column extensions are available for added versatility. We also offer the 15000 in a cargo van model designed to service high cube vans. The 15000-3S offers a low-profile adapter.

HOW DO I BUY?

- Download the Heavy-duty 2-Post Lifts Product Brochure
- Download the 15000 Spec Sheet
- Download the current 15000 Manual
- Download the current 15000-3S Manual
