# CB95 Self Propelled Broom

## Performance Features:

The CB95 provides best-in-class, aggressive sweeping in a rugged design. This self-propelled broom features well-thought-out control placement and heightened visibility that makes this machine extremely easy to operate for drivers of all experience levels. Perfect for general application sweeping to highway use, the CB95 incorporates the notable quick-change brush system which allows one person the ability to switch the brush core within minutes.

- 74 hp (55 kw) Hatz Tier 4 Final Diesel Engine
- 6,710 lbs (3,043 kg) weight with water
- 7' 6" (2.28 m) Diameter Heavy-Duty Frame with PolyTube Brush
- Optional 150 gallon (568 l) Tank
- Joystick Control for Travel and Broom Functions
- Hydrostatic Drive
- 10' (3.05 m) Inside & 18' 9" (5.71 m) Outside Turning Radius
- Variable Brush Down-Pressure Control
- Canopy or Climate-Controlled Cab Configurations
