## LIMITED PRODUCT WARRANTY The Americas and Caribbean

Terex South Dakota, Inc., Terex USA, LLC, Terex Global GmbH, Terex Operations Italy, and Terex (Changzhou) Machinery Co. Ltd. ("Seller"), as to the equipment manufactured by each respective company, warrants the new equipment it manufactures or sells worldwide to be free, under normal use and service, of any defects in manufacture or materials for the following time periods, commencing on the date on which such equipment is invoiced to the original buyer ("Buyer") or, if Buyer is a distributor and resells such equipment to a third party, no later than six months after the original invoice date:

**WITH RESPECT TO STRUCTURAL ELEMENTS: Self-Propelled Booms, Scissors, Telehandlers, and Runabouts: 5 years; Towed and All Other Products: 1 year;**

**WITH RESPECT TO ELECTRICAL COMPONENTRY: Self-Propelled Booms, Scissors, Telehandlers, and Runabouts: 1 year; Towed and All Other Products: 1 year;**

**WITH RESPECT TO HYDRAULIC COMPONENTRY: Self-Propelled Booms, Scissors, Telehandlers, and Runabouts: 3 years; Towed and All Other Products: 1 year;**

provided that (1) Seller receives written notice of the defect within thirty (30) days of its discovery and Buyer establishes that (i) the equipment has been maintained and operated within the limits of rated and normal usage; and (ii) the defect did not result in any manner from the intentional or negligent action or inaction by Buyer, its agents or employees, and (2) the product registration for the new equipment has been completed and received by Seller within thirty (30) days of the equipment's "in-service" date. If requested by Seller, Buyer must return the defective equipment to Seller's manufacturing facility, or other location designated by Seller, for inspection, and if Buyer cannot establish that conditions (1) (i) and (1) (ii) above have been met, then this warranty shall not cover the alleged defect.

Seller's obligation and liability under this warranty is expressly limited to, at Seller's sole option, repairing or replacing, with new or remanufactured parts or components, any part which appears to Seller upon inspection to have been defective in material or workmanship. Such parts shall be provided at no cost to the Buyer, FCA Seller's parts facility (Incoterms 2010). Freight charges are not covered. If requested by Seller, components or parts for which a warranty claim is made shall be returned to Seller at a location designated by Seller. All return freight charges are the responsibility of the Buyer. All components and parts replaced under this warranty become the property of Seller.

This warranty shall be null and void if parts (including wear parts) or attachments other than genuine OEM Seller parts and attachments are used in, or attached to, the equipment.

Accessories, assemblies and components included in Seller's equipment, which are not manufactured by Seller or one of Seller's affiliates, are subject to the warranty of their respective manufacturers. Normal maintenance, adjustments, or maintenance/wear parts are not covered by this warranty and are the sole maintenance responsibility of Buyer.

**SELLER MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, AND MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, AS TO THE EQUIPMENT AND PARTS IT SUPPLIES.**

No employee or representative of Seller is authorized to modify this warranty unless such modification is made in writing and signed by an authorized officer of Seller. Seller's warranty is continuous for the stated periods, and "stopping and restarting" such periods is not permitted.

Seller's obligation under this warranty shall not include duty, taxes, environmental fees, including without limitation, disposal or handling of tires, batteries, petrochemical items, or any other charges whatsoever. Seller shall not be liable for indirect, incidental, or consequential damages, even if advised of the possibility of such damages.

Improper maintenance, improper use, abuse, improper storage, operation beyond rated capacity, operation after discovery of defective or worn parts, accident, sabotage, Acts of God, or alteration or repair of the equipment by persons not authorized by Seller shall render this warranty null and void. Seller reserves the right to inspect the installation of the equipment and review maintenance procedures to determine if the failure is covered under this warranty.

**NO TRANSFERABILITY OF WARRANTY:** This warranty is limited to the original purchaser or original end-user if sold to a distributor, and is not assignable or otherwise transferable without the written agreement of Seller.
