Cub Cadet

FEATURES

7-GAUGE STEEL CUTTING DECK WITH 7-GAUGE TOP AND BOTTOM REINFORCEMENTS

MAINTENANCE-FREE SEALED SPINDLES

KAWASAKI® FX850V 852cc / 27 HP**

DUAL PARKER HTJ 12cc PUMP / 260cc WHEEL MOTOR

3-YEAR, NO-HOUR-LIMIT WARRANTY / 5-YEAR, 1,750 HOUR LIMITED DECK WARRANTY*

CUTS EVERYTHING, INCLUDING DOWNTIME.

Every single part of the PRO Z 500 Series is designed to handle the serious rigors of the job. Armed with an efficient engine, larger fuel capacity and an industry-leading commercial cutting deck, this zero-turn lineup allows you to maximize your workday and deliver a flawless cut in a single pass.

Optimized Performance

If you're looking to maximize your workday, look no further. High-torque commercial transmissions are paired with high-horsepower commercial-grade engines to provide optimal and consistent blade tip speed. So you can power through the thickest grass in one pass at maximum speed.

Industry-Leading Deck Strength

Tackle the toughest conditions with the industry's only triple-7-gauge steel cutting deck: a 7-gauge deck shell with 7-gauge top and bottom reinforcements. All backed by a 5-year limited warranty.

All-Day Comfort

Absorb the impact of rough terrain with a front-end construction that features an industry-leading combination of axle, hub and yoke size. Paired with a high-back EVC cushion seat with angle control which adds support for the long haul.

MAKE EASY WORK OF A HARD DAY.

Every single part of the PRO Z 700 Series is designed to handle the serious rigors of the job. From the thickness of the cutting deck to the all-around heavy-duty construction, this zero-turn lineup will last for the long haul. Step up to greater horsepower, higher top speeds, more comfort, and larger deck options.

Optimized Performance

If you're looking to maximize your workday, look no further. High-torque commercial transmissions are paired with high-horsepower commercial-grade engines to provide optimal and consistent blade tip speed. So you can power through the thickest grass in one pass at maximum speed.

Industry-Leading Deck Strength

Tackle the toughest conditions with the industry's only triple-7-gauge steel cutting deck: a 7-gauge deck shell with 7-gauge top and bottom reinforcements. All backed by a 5-year limited warranty.

All-Day Comfort

Let the PRO Z 700 absorb the punches so your body doesn't have to. Its pivoting front axle with isolation-dampening system mounts allows the front end of the PRO Z to ride across unknown terrain while protecting the quality of the cut.

MADE TO MAKE THE GRADE.

The PRO Z 972 SD and 972 SDL are dual-wheel commercial zero-turn mowers engineered to dominate steep hills up to a 25-degree slope. With unmatched triple-7-gauge deck construction, maintenance-free spindles, superior cutting performance and air-ride seat comfort, these best-in-class mowers are the ultimate mowing solution for municipalities, commercial cutters and properties with varying terrain.

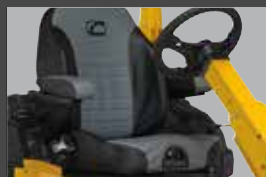

Unmatched Hillside Confidence

Oversized dual rear wheels provide a higher level of stability and precision. The one-of-its-kind drive system with four-wheel steering provides ultimate control, so you can comfortably mow a straight line, execute zero-degree turns and operate on a hillside up to a 25-degree slope.

Industry-Leading Deck Strength

Tackle the toughest conditions with the industry's only triple-7-gauge steel cutting deck: a 7-gauge deck shell with 7-gauge top and bottom reinforcements. All backed by a 5-year limited warranty.

Work Hard. Ride Easy.

Experience a smooth ride all day long with the PRO Z comfort features. Our exclusive air-ride seat allows riders to adjust seat firmness to their personal preference. The isolation dampening system under the seat reduces vibration, while angle adjustment and lumbar support give a custom feel.
