Z500 SERIES

The Husqvarna Z500 Series zero-turn mower represents the latest design focused on productivity, durability and cut quality. Providing extreme comfort, high ground speeds and superior traction adds up to exceptional mowing efficiency. Industrial strength throughout the entire design assures of a long & durable service life in commercial mowing applications. Careful design consideration provides unprecedented ease in serviceability.

1. Commercial fabricated deck
2. Rugged frame and casters
3. Convenient deck lift
4. Ergonomic control panel
5. Suspension 21" high back seat
6. Heavy-duty 10" cast aluminum spindles featuring tapered roller bearings
