Forefront™ Suspension System (<https://youtu.be/N9RqP1sAU7Q>)

The system utilizes four upper and lower control rods and mower-specific shocks that ensure the front caster bearing remains vertical through the full range of travel. This controlled motion results in a smoother ride, more precise tracing of the terrain and an improved cut.

Ride-On Mower Warranties

Coil-Over-Shocks and all suspension-related components are covered for 5 years (60 months), for unlimited hours. We are committed to providing performance, productivity and durability.
