Pitts Enterprises ("Pitts Enterprises") warrants to the first purchaser ("the Purchaser") of a new truck trailer (hereinafter referred to as "trailer") manufactured by Pitts Enterprises that each such new trailer will be free from defects in material and workmanship, provided that the trailer (i) is operated for normal commercial use, (ii) is periodically serviced in accordance with ordinary commercial standards, (iii) is used to carry loads not exceeding the manufacturer's rated capacity, and (iv) is loaded with the weight equally distributed. The foregoing warranty is effective from the date of purchase for the period of: (i) limited three years for platform models, (ii) limited two year lowboy models, (iii) limited two year tag-along models, (iv) limited two years log trailer models, (v) one year loader mount trailer models, (vi) one year oilfield float models, (vii) one year custom models, (viii) one year chip van models, (ix) one year extendable models, (x) one year heavy haul models and (xi) six months on hydraulic and solenoid components.

**THE FOREGOING WARRANTY IS MADE SOLELY TO THE FIRST PURCHASER OF A NEW TRUCK TRAILER FROM PITTS ENTERPRISES OR A PITTS ENTERPRISES AUTHORIZED DEALER AND IS MADE IN LIEU OF OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED BY LAW OR OTHERWISE. NO EXPRESS OR IMPLIED WARRANTY OR MERCHANT ABILITY AND FITNESS FOR A PARTICULAR PURPOSE OTHER THAN AS SET FORTH ABOVE IS MADE BY PITTS ENTERPRISES FOR EACH SUCH NEW TRUCK TRAILER.**

"Normal commercial use" means use of the trailer (i) for commercial use, (ii) in the manner and for the purpose for which it was designed and purchased, (iii) within gross vehicle rating (GVWR) and gross axle rating (GAWR) as specified on the trailer's vehicle identification plate, and (iv) with commercial loads properly attached and not causing any strains on the trailer greater than those experienced on well maintained public roads while operated lawfully. "Normal commercial use", shall NOT include use with loads that are chemically incompatible with any of the materials of which the trailer is constructed.

Pitts Enterprises neither expresses nor implies any warranty at all with respect to:

- (1) any trailer no longer owned by the Purchaser;
- (2) any trailer sold which, after its purchase from Pitts Enterprises or Pitts Enterprises authorized dealer, is repaired or altered outside of Pitts Enterprises factory or branch in any manner not approved in writing, or which has been subject to misuse, neglect, or accident;
- (3) any used trailer sold by Pitts Enterprises or any other person;
- (4) any parts or materials used by Pitts Enterprises in manufacturing a new trailer which wear out and require replacement within the warranty period specified above. Such parts or materials include (but are not limited to) brake drums, brake linings, brake actuation components, oil and oil seals, bearings, paint, tires, wood floors, and electrical components, light bulbs, electrical receptacle, paint and coatings, return springs, equalizer, torque rod and camshaft bushings, camshafts, slack adjusters, springs, slider pads, wheel bearings, rim clamps and studs, gaskets and sealers, and all types of interior lining, floors, and the like also;
- (5) parts and accessories may carry warranties of their respective manufacturers. At the Purchaser's written request, Pitts Enterprises will supply the Purchaser with any information it possesses concerning the warranties on parts and accessories and the identity and location of their respective manufacturers or of any other person with respect to the parts and accessories;
- (6) customer furnished used parts for installation in new trailers;

By Pitts Enterprises delivery of this warranty and Purchaser's acceptance hereof in connection with the purchase of a new trailer, Pitts Enterprises and the Purchaser agree as follows:

- (1) that Pitts Enterprises shall not be liable for damage to cargo or for any consequential damages arising from or alleged to arise from the purchase covered by this Warranty or from the Warranty itself, whether arising from or alleged to arise from Purchaser's inability to use trailer commercially, from interruption of Purchaser's business, or otherwise for loss of use of capital or revenue, cost of money, claim of customers, non-operation or increased expense or operation cost of purchase or replacement equipment, loss of anticipated profits, transportation expenses due to repairs, or for any special, incidental or consequential loss or damage of any nature arising at any time or from any cause whatsoever.
- (2) that Pitts Enterprises sole responsibility under this warranty is to repair or replace (at Pitts Enterprises discretion, but only within the Warranty period) any defective trailer manufactured by Pitts Enterprises, provided that Pitts Enterprises is obliged to perform such repair or replacement only if such defective trailer is returned to Pitts Enterprises or a repair facility designated by Pitts Enterprises, at Purchaser's expense immediately upon request by Pitts Enterprises;
- (3) the labor cost involved in replacing the warranted parts will be reimbursed for a period of one year, and a period of six months on hydraulic components and solenoids, at a rate not exceeding their predetermined factory schedule for such labor and labor cost, providing the prior approval of Pitts Enterprises for any such labor and labor cost has been obtained. The necessity of replacement of any such parts under this warranty shall solely be determined by Pitts Enterprises, who reserves the right to require any and all parts for which replacement is claimed, to be returned freight paid to its factory for inspection. On all component parts not manufactured by Pitts Enterprises, their warranty is to the extent that the manufacturers of such parts warrant them to Pitts Enterprises, and
- (4) that such repair or replacement is the Purchaser's exclusive and sole remedy in connection with any defective trailer sold new to the Purchaser by Pitts Enterprises, whether such remedy is sought pursuant to this Warranty, or otherwise.
- (5) the provisions of this warranty shall be interpreted and governed pursuant to the laws of the state of Alabama.
- (6) axle and/or suspension alignment: Pitts Enterprises or authorized dealership must be called within 10 days after delivery of any alignment problem.
