¹ Navigation services require SYNC®4 and FordPass Connect (optional on select vehicles), complimentary connect service and the FordPass app (see FordPass Terms for details). Eligible vehicles receive a complimentary 3-year trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass member account. If not subscribed by the end of the complimentary period, the connected navigation service will terminate, and the system will revert to embedded offline navigation.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

² Wi-Fi hotspot includes wireless data trial that begins upon AT&T activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first, but cannot extend beyond the trial subscription period for remote features. To activate, go to [www.att.com/ford](https://www.att.com/ford)

The prep package is also compatible w/Reese Signature Series 5<sup>th</sup> wheel hitch kits updated w/a new Leg Service Kit – Part# BC3Z-A00A25-A (8 ft. box only)

**NOTE:** The short pickup box provides less clearance between the cab and 5<sup>th</sup> wheel trailer compared to "long box" pickups. The receiver centerline of the hitch should be mounted at least two inches forward from the rear-axle of the truck chassis. When selecting a trailer and tow vehicle, it's critical that this combination provide clearance between the cab and tow vehicle for turns up to and including 90 degrees. Failure to follow this recommendation could result in the trailer contacting the cab of the tow vehicle during tight turns.

**Gooseneck Hitch Compatibility:**

- The 5<sup>th</sup> Wheel/Gooseneck Prep Package (53W) is compatible only w/the factory orderable Gooseneck Hitch Kit-15J, Gooseneck Dual Hitch Kit-15E or Dealer-installed Ford Customer Accessories Gooseneck hitch by Reese – part # BC3Z-19F503-A (8 ft. box and 6.75 ft. box)
