

## SaltDogg® Hydraulic Pre-Wet Kit With Two 160-Gallon Poly Side Mount Reservoirs

**Buyers Part Number:** LS11H

**Buyers Products SaltDogg Pre-Wet Kit for Municipal Dump Spreaders (MDS) adds a liquid ice-melting agent to salt before application.**

- Kits contain everything you need to install and run your pre-wet system.
- Helps salt stick to pavement and melts ice at lower external temperatures.
- Your choice of electric or hydraulic pump operation.
- Sturdy poly reservoirs are designed to fit against your SaltDogg MDS Series spreader.
- 12V DC-powered pump provides variable spray rate.
- Corrosion-resistant stainless steel brackets, tie downs, and pump enclosures.

### Specifications

<b>Control Type</b>	Hydraulic	<b>Controller Type</b>	Proportional In Cab Controller
<b>Flow</b>	4.5 GPM	<b>Height</b>	25.0"
<b>Hose Type</b>	3/4 in. Flexible	<b>Length</b>	92.0"
<b>Material</b>	Polyethylene	<b>Mount Style</b>	MDS Side
<b>Pressure</b>	150 PSI	<b>Tank Capacity (Total)</b>	320 Gal
<b>Tank Shape</b>	Wedge	<b>Width</b>	28.0"
<b>Works With (models)</b>	MDS Series	<b>Shipping Weight</b>	505.8 lb

## Stainless Steel Folding Ladder for SaltDogg® MDS Dump Body/Spreader

Buyers Part Number: 9331000

Buyers Products Stainless Steel Folding Ladder for SaltDogg® MDS provides a convenient means of climbing up and down the dump body.

- Made of stainless steel for superior corrosion resistance.
