<p><b>6 Ton Recycler</b> - battery charger package, dual burner recycling package, 24 hour timer, dump box, single frame ext, 16" tires, release agent sprayer bracket, LED lighting upgrade, LED night work lights, strobe warning lights, 3 position tool holder</p>
<p><b>Quick Ship Options</b></p>
<p>30 gallon heated/insulated tack tank</p>
<p>Rejuvenator Spray System - 5.5 HP Motor</p>
<p>Rejuvenator spray system hose reel</p>
<p>Pour pot mounting bracket</p>
<p>torch20</p>
<p>plate compactor basket (24"x24")</p>
<p>hoist with 12-volt</p>
<p>hoist with manual winch</p>
<p>bomag bvp18/45-2</p>

VIBCO GR-1600 Roller
spare tire holder
spare tire on 16in wheel
5lb extinguisher
wheel chocks
document holder
slow moving vehicle stickers
<b>Trailers</b>
<b>1 Ton Mini Trailer</b> - 12-volt battery, single vapor draw propane burner, auto temp, electric brakes with safety breakaway, single axle w/ tubular steel frame , battery charger package- 3,500 lb GVWR, 16" tires, hopper tarp cover, bracket for 30 lb cylinder and shoveling apron, 24 hour timer. Limited options
<b>2 Ton Trailer</b> - 12-volt battery, single diesel or vapor draw propane burner, auto temp, VIP, one piece ceramic combustion chamber, electric brakes with safety breakaway, single axle w/ tubular steel frame - 7,000 lb GVWR, 16" tires, manual loading and unloading doors, battery charger package, limited options, single frame extension.
<b>3 Ton Trailer</b> - 12-volt battery, single diesel or vapor draw propane burner, auto temp, VIP, one piece ceramic combustion chamber, electric brakes with safety breakaway, tandem axle w/ tubular steel frame - 14,000 lb GVWR, 16" tires, manual loading and unloading doors, battery charger package, single frame extension.
<b>4 Ton Trailer</b> - 12-volt battery, single diesel or vapor draw propane burner, auto temp, VIP, one piece ceramic combustion chamber, electric brakes with safety breakaway, tandem axle w/ tubular steel frame - 14,000 lb GVWR, 16" tires, manual loading and unloading doors, battery charger package, single frame extension.
<b>6 Ton Trailer</b> - 12-volt battery, diesel or vapor draw propane heat source, dual burner recycling package, 24 hour timer, auto temp, dump box,VIP, one piece ceramic combustion chamber, electric brakes with safety breakaway, tandem torsion axle w/ tubular steel frame - 20,000 lb GVWR, 17.5" tires, single frame extension, manual bifold loading doors, manual unloading door, battery charger package.
oil jacketed hopper (2 to 4 tons)
tandem axle frame
dump box
Dump Box Power Up & Power Down Hydraulic Capability

two diesel burners with 24-hour timer
two diesel burners with 7-day timer
two vapor draw propane burners
two liquid draw propane burners
overnight heater 110V system
overnight heater 240V system
short frame (deduct)
extended frame 4 ft
extended frame 6 ft
surge brakes
<b>Slip-Ins</b>
<b>2 Ton Slip-in</b> - 12-volt battery, single diesel burner, auto temp, VIP, one piece ceramic combustion chamber, manual loading and unloading doors, shoveling apron, stake pockets, battery charger package- limited options
<b>3 Ton Slip-in</b> - 12-volt battery, single diesel burner or vapor draw propane burner, auto temp, VIP, one piece ceramic combustion chamber, hydraulic loading and unloading doors, shoveling apron, stake pockets, battery charger package
<b>4 Ton Slip-in</b> - 12-volt battery, single diesel burner or vapor draw propane burner, auto temp, VIP, one piece ceramic combustion chamber, hydraulic loading and unloading doors, shoveling apron, stake pockets, battery charger package
<b>5 Ton Slip-in</b> - 12-volt battery, single diesel burner or vapor draw propane burner, auto temp, VIP, one piece ceramic combustion chamber, hydraulic loading and unloading doors, shoveling apron, stake pockets, battery charger package
<b>6 Ton Slip-in</b> - 12-volt battery, diesel burner or vapor draw propane burner, dual burner recycling package, 24 hour timer, auto temp, VIP, one piece ceramic combustion chamber, hydraulic loading and unloading doors, shoveling apron, stake pockets, battery charger package
<b>8 Ton Slip-in</b> - 12-volt battery, diesel burner or vapor draw propane burner, dual burner recycling package, 24 hour timer, auto temp, VIP, one piece ceramic combustion chamber, hydraulic bifold loading doors , hydraulic unloading doors, shoveling apron, stake pockets, battery charger package

<b>10 Ton Slip-in</b> - 12-volt battery, dual diesel burner recycling package, 24 hour timer, auto temp, VIP, one piece ceramic combustion chamber, hydraulic bifold loading doors , hydraulic unloading doors, shoveling apron, stake pockets, battery charger package
Pump for on-board hydraulics
Self dumping truck mount chassis
hook lift
<b>Standalone Tack Distributors</b>
<b>150 gallon tack trailer</b> - 12-volt battery, single 7,000 lb double eye axle, electric brakes w/safety breakaway, single diesel burner, insulated, 24"x24" clean out port, (2) LED 4" red S/T/T lights (1 per side), spray system, hose reel, battery charger package, vip, 16" tires
<b>150 gallon tack truck mount</b> - 12-volt battery, single diesel burner, 24"x24" clean out port, insulated, spray system, hose reel, battery charger package, vip
<b>250 gallon tack trailer</b> - 12-volt battery, single 7,000 lb double eye axle, electric brakes w/safety breakaway, single diesel burner, 24"x24" clean out port, insulated, (2) LED 4" red S/T/T lights (1 per side), spray system, hose reel, battery charger package, vip, 16" tires
<b>250 gallon tack truck mount</b> - 12-volt battery, single diesel burner, 24"x24" clean out port, insulated, spray system, hose reel, battery charger package, vip
<b>500 gallon tack trailer</b> - 12-volt battery, single diesel burner, insulated, 24"x24" clean out port, (2) LED 4" red S/T/T lights (1 per side)spray system, hose reel, battery charger package, vip
8' spray bar
adjustable spray bar
electric start
in-cab control for spray bar
remote control for spray bar
reversing pump
<b>Lighting Options</b>
one red LED and one amber per side
two red LED per side
two red LED and one amber strobe per side
night work lights (LED)
arrow board LED
arrow stick LED
backup lights
warning strobe
Extra Marker Lights for Quebec Trailers

<b>Tires</b>
16" spare tire on wheel
17.5" Spare tire on wheel
spare tire holder
<b>Tack Tank Options</b>
15 Gallon heated oil jacketed tack tank
15 gallon heated/insulated
15 gallon non-heated/non-insulated
30 Gallon heated Oil-Jacketed tack tank
30 gallon heated/insulated
30-Gal non-heated/non-insulated/gravity
30 gallon insulated/non heated
Rejuvenator Spray System - 5.5 HP Motor
Rejuv spray system hose reel
<b>Compaction Equipment and Mounting Options</b>
hoist with 12-volt
hoist with manual winch
Spitzlift
bomag bvp18/45-2
bomag bvp18/45-2w
plate compactor basket (24"x24")
vibco gr basket (30"x30")
Rear Hydraulic Plate Compactor Basket
VIBCO GR-1600 Roller
VIBCO GR-3200 Roller
<b>Other Equipment Options</b>
24 hour timer
7 day timer
2ft trailer hitch
3ft trailer hitch
5lb extinguisher
10lb extinguisher
3" Pintle Eye
50/550 thermometer
10K drop leg jack
Additional SRM24 12-Volt Battery
backup alarm
bifold loading doors
cold weather package
color match
document holder
emergency stop button
flaming river disconnect switch
hopper extensions
hopper access step

hour meter
Hydraulic Loading Doors
Hydraulic Unloading Door
loading door gas assist shocks
lockable battery boxes
LP torch20
LP torch60
LP torch hose reel
pendant bracket
Pour pot mounting bracket
Railing for Hopper Access Platform
release agent dispenser holder
Sight glass for diesel fuel tank
slow moving vehicle stickers
solar battery maintainer
solvent tank
tool box (25x10x10)
Tool Holder - 2-position
Tool Holder - 3-Positions
tool holder - 5 positions
tool holder fender clips (for 2 shovels)
tread plate for open floor extension
Upgrade to 9k Suspension - Tandem Axle Trailer
Voltmeter
washdown system with hose reel
water tank
<b>Infrareds</b>
4x6 split box infrared
4x4 split box infrared
4x4 heater infrared
Infrared transporter package - 2 to 4 ton trailer (includes hoist with 12v winch, infrared mounting basket, double frame extension)
Infrared transporter package - 6 ton trailer (includes hoist with 12v winch, infrared mounting basket, double frame extension)
Infrared transporter package - 2 to 4 ton trailer (includes hoist with 12v winch, infrared mounting basket, triple frame extension)
Infrared transporter package - 6 ton trailer (includes hoist with 12v winch, infrared mounting basket, triple frame extension)
