

SLIP IN UNITS

STANDARD:

- Battery Charger Package
- Automatic temperature control
- VIP technology
- One-piece ceramic combustion chamber
- 92% fuel efficiency (diesel)
- 12-volt deep cycle battery
- Conspicuity tape

OPTIONS:

- Hook lift
- On board hydraulics
- Self-dumping truck mount chassis

All Falcon machines are built with pride in Freeland, Michigan. Falcon hot boxes and recyclers give you unparalleled versatility. You can transport cold mix, keeping it warm during the winter months and making it easier to work with; you can transport hot mix and keep it hot all day; and you can hold hot mix overnight, keeping it warm for up to 48 hours. You can also reclaim unused hot mix, eliminating the waste of good material, and you can recycle asphalt chunks and millings. All of this makes Falcon the most versatile machine you can buy for pavement preservation.

THE FALCON ADVANTAGE

Large Unloading Door
For Easy Access

Patented Heat
Management System

Patented VIP - Low
Voltage Shutdown
