Titan LEAF™
BOX

HGACBuy
THE SMART PURCHASING SOLUTION

(Shown with Options)

Option: Convertible to chipper box

Slip in design for use in collecting leaves. Installs in a dump body or on a flat bed, and adapts to most any leaf collection unit. Many options are available to customize the Titan Leaf Box to fit your exact needs. The Titan Leaf Box is built with what you need and no

more! 12-gauge carbon steel sides and ends, 1/2" expanded metal roof and a short floor for overhanging the floor of the host vehicle. The manual door latch is operated from the driver's side, keeping the operator out of harms way of oncoming traffic.
