

DOES NOT INCLUDE FREIGHT

PROTECT YOUR GEAR
WITH THE TOUGHEST, MOST SECURE,
Truck Bed Cover.

BE READY / FOR THE NEXT ADVENTURE.

Whether it's a vacation trip to the beach with the family or a hunting trip across the country with the buddies, you can feel confident with a DiamondBack. Because we all want a cover we can trust in any situation. Trust that our gear will stay dry and secure and that the cover will last a lifetime. Trust that we'll be ready for anything.

PEACE OF MIND

A secure truck bed so you don't have to worry.

BUY WITH CONFIDENCE

The last bed cover you'll buy for your truck.

LIFETIME WARRANTY

The best warranty of any hard truck bed cover.

DRY GEAR / NO MATTER WHAT THE WEATHERMAN SAYS.

A thick neoprene compression gasket runs along the perimeter of the cover to create a barrier to water, snow, or ice, keeping your cargo dry.

- Neoprene perimeter gasket
- Gutter-protected hinge points
- Side-facing key cylinders
- Stainless exterior hardware

WE BUILT EVERYTHING / **AROUND SECURITY.**

Rugged, die-cast zinc lock handles on the access panels of a DiamondBack keep your gear secure by actuating 3/8" deadbolt-style rods directly under the bed rails of your truck.

- **Deadbolt-style lock system**
- **Die-cast zinc lock handles**
- **2 key locks**
- **Tight and secure fit**
