

GETTING MORE DONE™, Efficiently!

Walkaround Outline for the ODB DCL750TM25VE

Value-Engineered

Trailer Mounted Self-Contained
Debris & Leaf Collection System

Hitch:

- Overview
- 25CY
- Commercial chassis mounting

Left Front Tire:

- Hopper
- Aux Engine
- Hydraulics

Left side of Unit:

- Vents

Rear of unit:

- Rear door

Right Side of unit:

- Boom
- Clutch
- Controls

After demonstration

- Ask questions
- Ask for order
- Provide follow up information

GETTING MORE DONE™, Efficiently!

SPECIFICATIONS: DCL750TM25VE

Trailer

- Bolted on Pintle Eye
- Axles 20,000LBS Heavy Duty Spring Axles
- Electric brakes w break away actuator

Tires

- 14CY (4) ST235-85R16 radial tires on steel wheels
- (8) 235/80R16E tires on steel wheels
- Parking jack

Auxiliary engine

- Kubota 3.8L 87HP Gas (Standard)
- 74 HP John Deere Tier 4 - Option
- Radiator air screen Pleated and boxed protective, with tool free access
- Fuel tank 40 Gallon polyethylene
