

Model number 400XX60A

# PIONEER

## Corrugated Plastic Container For a Variety of Uses

- Weighs 1/3 less than same size metal containers
- Ideal for wet refuse
- Easy to maneuver on uneven surfaces
- Dual hinged lids keep pests out, and odor and refuse in
- Will not corrode in salt air or humid environments
- Never needs painting; will not chip, crack or peel
- Integrally molded details reinforce lift and stress points
