FORD GM MERCEDES RAM

THE UPFIT YOU DESERVE

LEGENDSOFTHEROAD.COM

The image shows the interior of a white van with the rear door open. The interior is finished with grey wall and ceiling liners. A yellow grab handle is mounted on the side of the door frame. The floor is covered with a dark grey rubber mat. A yellow sill plate is visible at the bottom of the door. A black wheel well cover is visible on the right side of the van. The word 'LEGEND' is visible on the wall and the wheel well cover.

NEW

EVOLVE LIGHTWEIGHT FLOOR

Legend's all-new EVOLVE van floor takes all the requirements for a reliable van floor and turns them into a lightweight - yet still extremely robust cargo van floor.

- 53% Lighter than other rigid floors - designed for EV's.
- Made of 75% Recycled Material
- Floor Fastener Kit for no-drill-into-floor available for Ford Transit

legendfleet.com/evolve-lightweight-floor

**IMPROVING THE RIDE
FOR THE LEGENDS
OF THE ROAD**

RIGID FLOORS

- Flat, anti-slip surface for maximized operator safety and productivity
- Extremely durable to protect bare metal van floor from impact and puncture damage
- Moisture-resistant, chemical-resistant and rot-proof, unlike plywood. Easy to clean
- Comes with aluminium side and rear sill set

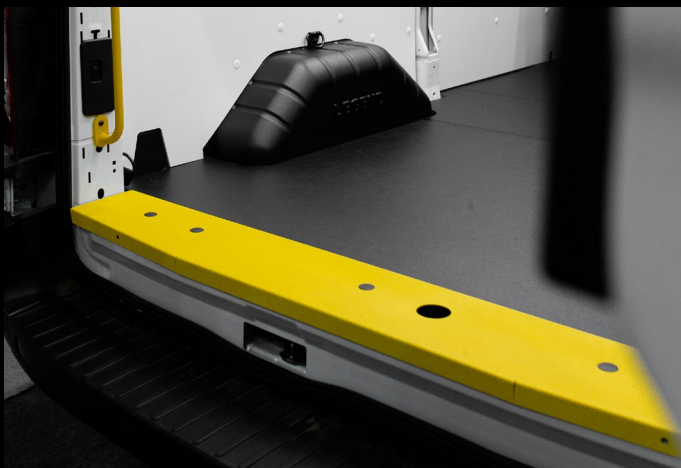

INTERIOR LINERS

- Durability – protects against the roughest wear and tear on van panels
- Increase Resale Value – prevent van panel and van wrap damage, vehicles in excellent condition at end of life cycle
- Temperature Control – liner insulation creates thermal barrier
- Sound Deadening – reduce road noise

STEEL THRESHOLDS

- Maximize operator safety with extremely grippy high-visibility textured yellow coating side and rear thresholds
- Protect loading and entry points most prone to damage
- Increase efficiency by allowing operators to load in and out quickly in all weather conditions

WHEEL WELL COVERS

- Protection - loading cargo in and out of the van, the bare wheel wells are one of the first things to dent and damage
- Decrease Road Noise - significantly deaden loud wheel and road noise by closing in wheel wells with extra padding
- Thermal Barrier with insulation
