Whether you are buying, renting,
or servicing your mulching
equipment, FECON has solutions
that focus on your success.
Operator driven design with a
global network that is woven into
every product.

- Operators cab must be protected with both properly maintained 1/2" Polycarbonate glass (or equal) and falling object protection.
- Certain guarding and features may have been removed for illustrative purposes, always run with proper guarding.
- Weights may vary based on options.
- Specifications subject to change without notice.
- Photographs may have been altered for marketing purposes.
- Always insure that your carrier manufacturers safety features (including falling object protection, and roll-over protection) meet your job safety requirements.
- SAFETY IS THE RESPONSIBILITY OF THE OPERATOR.
- Pictures may contain optional accessories.
