Whether you are buying, renting, or servicing your mulching equipment, FECON has solutions that focus on your success. Operator driven design with a global network that is woven into every product.

- Operators cab must be protected with both properly maintained 1/2" Polycarbonate Glass (or equal) and Falling Object Protection.
- Certain guarding and features may have been removed for illustrative purposes, always run with proper guarding.
- Weights may vary based on options.
- Specifications subject to change without notice.
- Photographs may have been altered for marketing purposes.
- Always insure that your carrier manufacturers safety features (including Falling Object Protection, and Roll-Over Protection) meet your job safety requirements.
- SAFETY IS THE RESPONSIBILITY OF THE OPERATOR.
- Pictures may contain optional accessories
