

FORGE® HOPPER SPREADERS

FIGHT ICE WITH STEEL

The BOSS FORGE® lineup is expanding to better accommodate long bed trucks for optimal fit and ease of filling. The FORGE® stainless steel hopper is constructed with a combination of bolting, riveting and welding for optimal durability and serviceability throughout the spreader's lifetime—allowing you to maintain and replace individual parts rather than the entire unit. Both the hopper and the drive train are constructed with stainless steel, enhancing the sturdiness and durability of FORGE®.

STANDARD FEATURES

- **Material Feed System** features a heavy-duty pintle chain or powder-coated auger for long life and durability.
- **Stainless Steel Hopper** is built to outlast the elements and is available in 1.0, 1.5 and 2.0 cubic yard capacity.
- **Dual Variable Speed Controller** is equipped with auto-reverse and overload protection and is backlit for clear visibility and ease of use (auger only).
- **14.5" Diameter Urethane Spinner** is durable and corrosion-resistant and ensures consistent distribution.
- **Enclosed Spinner Motor** is weather- and dust-resistant to ensure performance, durability and reliability.
- **Vibrator** reduces material build-up for ease of operation (standard for auger, optional for pintle).
- **Inverted V-Baffle** reduces material build-up for optimal spreading efficiency (standard for auger; available as an accessory for pintle).
- **Chain Cleaning Brush** removes excess material from chain on every pass (pintle chain only).
- **Full-Length Slide-Out Tray** captures falling deicing material, keeping it away from truck bed, preventing corrosion (pintle chain only).

HOPPER SPILL GUARDS

Protect the bed of the truck from salt spills when filling FORGE® 1.0 and 1.5 spreaders. Spill guards widen the top width of the spreader, making loading with loader buckets easier. (Excludes FORGE® 2.0 Long Bed.)

> MODELS

Stainless 1.0, 1.5, 2.0 Long Bed

> OPTIONAL ACCESSORIES

- Backup Camera
- Spill Guards (excludes 2.0 Long Bed)
- Light Kit
- Tarp
- Extension Kit
- Vibrator Kit*
- Inverted V*

*Standard on auger, optional on pintle.

FORGE® 2.0 Long Bed
2 cubic yards of capacity
Longer hopper makes loading simpler with loader bucket.

FORGE® 1.5
1.5 cubic yards of capacity
(shown with pre-wet)
