

# HTX

## PERFORM ABOVE YOUR WEIGHT CLASS

The HTX plow RESTORES ORDER with the same features as BOSS full-size straight-blade and V-plows, built specifically for half-ton trucks. Built with business owners and homeowners in mind, the HTX line offers a strong, durable push frame and quadrant to clean up driveways and small business parking lots with a light-duty vehicle.

## STANDARD FEATURES

- **Full Moldboard Trip Design** helps prevent plow damage when an obstacle is encountered.
- **Optimized Hydraulics** streamline function and reliability of V-plows using fewer valves and hoses and fewer cycles on your electrical system.
- **SmartLight™ 3 LED Headlight System** uses DOT-compliant 100% LED lights and Ice Shield Technology™ to prevent snow and ice build-up.
- **Strong, Durable Push Frame** adds strength and reliability.
- **SmartLock® Cylinders** lock blades in place when backdragging (HTX V-plow only).

### > MODELS

Steel **V-Plow 7'6"**

Steel **Straight-Blade 7', 7'6"**

Poly **Straight-Blade 7', 7'6"**

Stainless Steel **Straight-Blade 7', 7'6"**

### > OPTIONAL ACCESSORIES

- Urethane Cutting Edge
- Cast-Iron Plow Shoes
- Backdrag Edge
- Caster Wheels
- Snow Deflector
- D-Force® (Straight-Blade Only)

7'6" HTX V-Plow Steel

D-Force® maintains consistent hydraulic down force through the use of a hydraulic accumulator to improve scraping performance while backdragging. D-Force® is an optional accessory on new truck plow purchases. Only available for HTX straight-blade plows.
