

RB-400 ROTARY BROOM

SWEEP IT CLEAN.

Wrap up detailing jobs in one clean sweep. The WESTERN® RB-400 walk-behind rotary broom is a combination sweeper/snowplow that sweeps and scrapes the sidewalk clean along buildings, curbs and edging.

STANDARD FEATURES

- Adjustable broom-rotation speed and adjustable down-pressure allow you to adapt to any condition.
- The floating, pivoting broom head gives you five angle settings to adjust the trajectory of the snow.
- Quick-attach plow blade features wheels and floating design to move heavy or deep snow.
- Features a seven-position handlebar height adjustment for operator comfort.
- Active-assist steering and freewheel design allow for 360-degree turning.
- The three-speed gear box provides the ideal operating speed, and the powered reverse function improves maneuverability and reduces operator fatigue.
- The unique brush-head design features angled outer bristles to clean up-close to buildings, curbs and edging.

ACCESSORIES

Debris Collector | Multi-Purpose Bristles

Consult your local WESTERN dealer or westernplows.com for accessory compatibility and availability.

PUSHER SHOVELS

PUSH MORE PROFITS.

Available in blade widths of 30" and 36", new WESTERN Heavy-Duty Pusher shovels are constructed with wear-resistant polyethylene and reinforced at the bracket and handle to withstand the demands of commercial fleets.

STANDARD FEATURES

- The blade is constructed from ultra-high molecular weight polyethylene for superior strength and wear resistance.
- The D-shaped nylon handle improves operator grip when shoveling, season after season.
- A fiberglass pole is securely fastened to the blade with a reinforced triangular base and heavy-duty support bracket for added strength against heavy snow.

PROTECT YOUR INVESTMENT WITH WESTERN® PARTS & ACCESSORIES.

Ensure your WESTERN® snow removal equipment remains efficient and reliable season after season with Factory Original parts and accessories from your local WESTERN dealer. Using “will-fit” alternatives can alter your plow’s performance and may affect your product warranty. Stick with the WESTERN brand for the parts and accessories you need. It’s the smart choice for protecting your investment.

CUTTING EDGES

Keep your blade at the top of its game by installing a genuine WESTERN cutting edge. Cutting edges increase wear resistance and restore your worn base angle to the proper geometry. Steel, rubber, poly and carbide options available depending on plow model.

RUBBER SNOW DEFLECTORS – 10" AND 18"

Made from 2-ply, heavy-duty rubber, these easy-to-install rubber deflector kits provide improved visibility by deflecting snow forward instead of onto your windshield.

POLY SNOW DEFLECTOR

This heavy-duty poly snow deflector is curved to improve snow containment and Roll-Action™ handling.

PLOW WINGS

Expand the carrying capacity of your MVP 3™, MVP PLUS™, PRO PLUS® and IMPACT™ UTV v-plow by adding a pair of genuine WESTERN plow wings. MVP 3 plow wings shown.

CURB GUARDS

Constructed of abrasion-resistant material and designed to fit tight to the blade, curb guards allow you to plow along curbs without damaging your blade. Curb guards vary by plow model.

SHOE KITS

Shoe kits help your plow glide over gravel and dirt at the correct height and extend cutting edge and base angle life when plowing on rocky or abrasive surfaces. Kits vary by plow model. High wear shoe kits available for specific models.

BACK DRAG EDGE

Angled to maximize back dragging, the WESTERN® back drag edge is constructed of ¼" abrasion-resistant steel. Easy to install, a back drag edge ensures a clean scrape every time.

BLADE STOPS

Protect your plow by ensuring heavy loads are distributed evenly. Made of reinforced, ¾", high-strength steel tube, blade stops reduce stress and wear on heavy-duty plow blades.

LIGHT BAR KIT

The IMPACT™ UTV light bar accessory features twin LED headlamps to help keep you on the right path. Like IMPACT UTV snowplows, the light bar accessory is sturdy and engineered to stand up to the rigors of commercial plowing operations.

SNOWPLOW EMERGENCY PARTS KIT

Be prepared! Packed in an easy-to-store WESTERN® Factory Original nylon duffel bag, these parts kits provide the high-volume, Factory Original parts needed for emergency snowplow repairs.

HIGH-PERFORMANCE HYDRAULIC FLUID

Available in quart and gallon containers, WESTERN high-performance hydraulic fluid is formulated to provide better viscosity in all temperatures. This means your plow will operate at the optimum level no matter what the weather conditions.

WESTERN FACTORY ORIGINAL PAINT

Time to touch up your WESTERN snowplow blade or black iron? Available in spray or quart cans, in red or black, topcoat or the primer-based undercoat, these Factory Original paints provide durable coverage and are formulated to match your original equipment.

WESTERN BLADE GUIDES WITH FLAGS

These attractive blade guides with replaceable flags help improve operator visibility and plow blade positioning.

COMMERCIAL BLADE GUIDES

Commercial blade guides are highly visible bright red, enhanced with reflective tape, and available in 24" or 36" lengths.

SHOCK ABSORBER

Helps soften trip-blade return. Available for the PRODIGY™, WIDE-OUT™ and WIDE-OUT™ XL snowplows.

MULTIPURPOSE BRISTLES

The multipurpose bristle kit replaces the snow brushes on the RB-400 rotary broom during the off-season. This allows you to use the machine for sweeping debris on a wide variety of surfaces and applications.

DEBRIS COLLECTOR

The debris collector gives you full use of your RB-400 rotary broom year round. It easily attaches to the front of the machine, so you can sweep up waste and debris quickly, keep it contained and dispose of it properly.

EXTREME DEFENSE™ GREASE

Defends and protects plow and spreader bearings, pivot points and moving components from wear and corrosion, even in extreme cold.

SNOWPLOW CONTROL CUP HOLDER MOUNT

Put a hard stop to juggling snowplow controls and cell phones. Functional and practical, the snowplow control cup holder mount lets you secure your WESTERN plow controls or your smartphone* on a flexible gooseneck mount for optimal, customizable positioning. This compact, easy-to-install genuine WESTERN accessory is designed to fit firmly into most cup holders in your vehicle.

FLEX ARM™ QUICK-RELEASE FLEXIBLE CONTROL MOUNT

The quick-release, flexible control mount adjusts to any position and features a magnetic base for easy removal without needing to put mounting holes in your dash.

PRO-GRIP MOUNT

Kit contains adhesive-backed locking strips to secure the WESTERN solenoid control and spreader controls to interior vehicle surfaces. Allows the control to be easily removed yet held firmly in place.

CONVERSION KIT

This easy-to-use UltraMount® to UniMount® conversion kit enables you to attach a UniMount plow to a vehicle equipped with an UltraMount system vehicle mount. This kit is perfect if you have multiple snowplows.

BACK DRAG EDGE

Available for the PILE DRIVER™ steel edge pusher plow, the top-mounted, rubber back drag edge allows operators to pull snow away from loading docks, doors and other tight spaces.

HIGH WEAR SHOES

Available for the PILE DRIVER steel edge pusher plow, high wear shoes provide increased service life for extreme-use applications.
