A LOW-RIDER WORK HORSE

Maximize your visibility with All-Purpose Chests that sit below the bedrail, accommodating tonneau covers and lids. An angled body design allows the chest to fit in fifth-wheel trailer configurations. The cover opens to 90° for maximum access using a unique offset hinge design that still allows installation flush against the truck cab. For durability, they're built of steel and finished with Brite White or Gloss Black ARMOR TUF® Powder Coat, or diamond plate aluminum (Clear, Gloss Black, or Textured Black).
