

9 Foot Medium Duty MDS - Hydraulic Drive

Buyers Part Number: 933093135

SaltDogg Medium Duty MDS Combination Dump Spreader is a spreader when you need one and a dump body when you don't. Get year-round performance from your Class 4-7 trucks.

- An all-in-one spreader and dump combo body for Class 4-7 trucks.
- One piece roll-formed sides provide a 3-4 cubic yard capacity.
- 10 gauge 304 stainless steel construction is ready for any job.
- Put your whole fleet to work year-round - no need to remove and store your spreaders during the off-season.
- Electric tailgate release provides convenient in-cab control.
- Double-acting Mailhot® nitrated cylinder for powerful and reliable lifting and lowering.
- A high speed conveyor chain feed and a removable spinner unit easily spread salt, sand, or a 50/50 salt/sand mix.
- Cross member-free design makes the unit easy to clean with a low center of gravity that reduces strain on the vehicle.
