DECKED Truck Model Name & Year - 6.5' for 8 foot, Service Body 48" -51"	Bed Length	SKU	Color	UPC	MAP
These SKUs are standard box DECKED systems engineered to be installed in trucks with 8' beds. These are NOT 8' long DECKED systems. With these SKUs, the DECKED system orients towards the tailgate. As a result, there is a gap from the cab side bed wall to the cab side edge of the DECKED system that allows room for a narrow crossover tool box or fuel transfer tank.
