

RAMPING RIDE FOLD-AWAY LIFT

RPH Series 2500 / 3300 lbs

DHOLLANDIA

APPLICATION

The **RPH Series** is a mid size lift designed to handle a variety of operator's needs. Dual lift cylinders provide great support & stability. The RPH can fit both lower bed height intercity trucks and larger dock height trucks.

The 50" x 85" wide platform is large enough to handle pallet jacks, wheeled carts or bulky loads. The RPH is the cost effective bridge between the smaller platform half-dip ride models and the large platform premium level ride models.

-  Dual lift cylinders for great load stability
-  Fully galvanized finish - **STANDARD**
-  Half-dip ride platform (St/Al or Al/Al)
-  Power down - **STANDARD**
-  Self-locking valves on all cylinders
-  Heavy duty bed extension and side steps
