

Compact Interior Lift

VZG Series 335 lbs

DHOLLANDIA

APPLICATION

The **DHOLLANDIA VZG Lift** is a safe and easy to use compact interior lift, designed to handle small loads (boxes, barrels, small machinery,...)

Option OAU803 is specially designed for gas bottle applications. It includes a smaller platform and a bottle holder to secure the bottles in the vertical position.

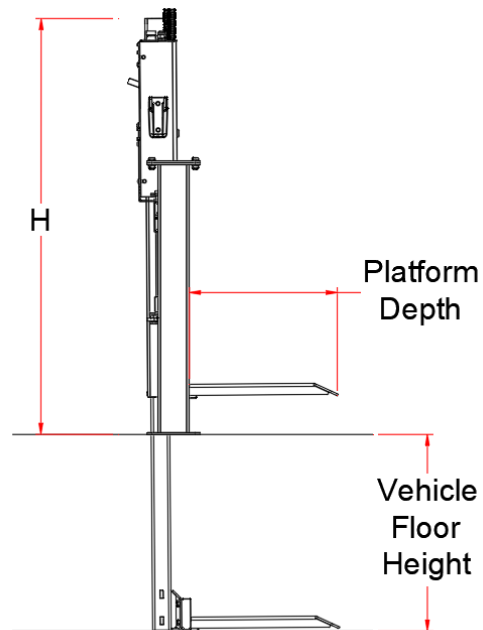

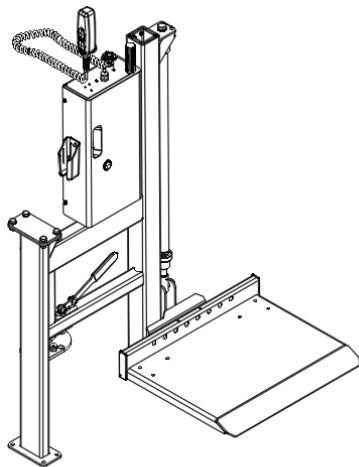

The VZG platform can pivot from the travel position inside the van to a work position outside the van, then go up & down (can be installed at the rear or side doors).

-  **335 lbs lift capacity**
-  **Option OAU803 for gas bottle applications**
-  **Stowed inside the rear or side doors**
-  **Flat platform for easy access**
-  **Single column with telescopic lift**
-  **2-Button handheld remote included**
