

LEVEL-RIDE VAN LIFT

LSP & LSPZ Series 1100 / 1320 lbs.

DHOLLANDIA

APPLICATION

The **DHOLLANDIA LSP/LSPZ** was the first external liftgate ever in the liftgate industry, engineered specifically for vans. DHOLLANDIA still continues to lead the innovations in this field today.

Available in 1-piece (LSP) or folding platform (LSPZ) configurations. Van specific mount plates for MB Sprinter, Ford Transit, Ram ProMaster and Nissan NV make for a simplified installation.

DHOLLANDIA offers the largest possible platform surface for factory built vans, making the LSP(Z) suitable for all types of cargo, including pallets.

-  **61" or 71" deep platforms available**
-  **1100 / 1320 capacities available**
-  **Level-ride with auto-tilt at ground level**
-  **Hinged or 1-piece platform**
-  **Aluminum platform with anti-slip surface**
-  **NO complicated circuit boards or sensors**
