

Contractor - Gas Engine Driven Reciprocating Compressor/Generator

Contractor - 20 CFM, 5kW, 10 Gallon Air Tank, Electric Start - 14 HP Kohler \$4,989.00

Contractor - 20 CFM, 5kW, 30 Gallon Air Tank, Electric Start - 14 HP Kohler \$5,088.00

Contractor - 20 CFM, 5kW, 30 Gallon Air Tank, Electric Start - 19 HP Kohler \$7,906.00

Contractor - 20 CFM, 5kW, Skid Mount, Electric Start - 19 HP Kohler \$6,483.00

Kits, Options and Accessories

Cold Weather Kits

Cold Weather Kit 12 V, Compressor Oil and Engine Oil Pan Heater* \$553.00

*Must be installed at time of machine build. Note: 12 V kit utilizes chassis battery.

Standard Service Kits and Oil for PRO and Contractor Models

Compressor Service Kit, Pro 35 (Two Air Filters and Vanguard™ Oil) \$120.00

Compressor Service Kit, Contractor (Three Air Filters and Reciprocating Oil) \$135.00

Engine Service Kit for 11 HP and 14 HP Kohler® (One Quart Oil, Air Filter and Pre-filter)
\$75.00

Engine Service Kit for 19 HP Kohler® (Two Quarts Oil, Air Filter and Pre-filter) \$127.00

Vanguard™ Reciprocating Compressor Oil (One Gallon) \$165.00

Vanguard™ Reciprocating Compressor Oil (One Quart) \$65.00

Common Options and Accessories PRO and Contractor Models

Air Reservoir Tank - 28 Gallon (underdeck mounted tank with mounting brackets)*
\$2511.00

Air Reservoir Tank - 30 Gallon* \$925.00

Battery Kit - PRO Series, Battery, Battery Box and 5' Battery Cables \$360.00

Battery Cable Quick Disconnect (for use with MA269945) \$310.00

Battery Cable Ext, Two Gauge Positive and Negative (For Connection to Chassis Battery - 8') \$275.95

Battery Cable Ext, Two Gauge Positive and Negative (For Connection to Chassis Battery - 12') \$306.05

Battery Cable Ext, Two Gauge Positive and Negative (For Connection to Chassis Battery - 16') \$395.00

Battery Cable Ext, Two Gauge Positive and Negative (For Connection to Chassis Battery - 20') \$454.00

Battery Cable Ext, Two Gauge Positive and Negative (For Connection to Chassis Battery - 24') \$490.00

Filter Lubricator Regulator (FLR) 1/2" \$522.20

Remote Condensation Drain \$98.00

Hose Reel - for 1/2" Hose 50' (With High Temperature Hose and Ball Stop) \$1,107.53

Hose Reel - for 3/8" Hose 50' (With High Temperature Hose and Ball Stop) \$800.00

Vibration Isolator Kit, 3/8" \$125.00

Vibration Isolator Kit, 1/2" \$215.00

OSHA® Valve up to 47 CFM 3/8" (Excess Flow Safety Valve) \$75.00

Remote Ignition and Choke Kit for Use on 14 HP Kohler® \$489.00

Remote Ignition, Kohler® 8' \$327.00

*All tanks Include a drain, check and pressure relief valve
