

### Viper™ - Engine Driven Rotary Screw Air Compressors

Viper™ - 60 CFM @ 150 PSI - 26.5 HP Kohler® EFI Gas \$9,600.00

Viper™ - 70 CFM @ 100 PSI - 26.5 HP Kohler® EFI Gas \$9,600.00

Viper™ - 80 CFM @ 100 PSI - 26.5 HP Kohler® EFI Gas \$9,600.00

Viper™ - 80 CFM @ 100 PSI with Cold Weather Kit - 26.5 HP Kohler® EFI Gas\*Power for cold weather kit must be from external power source \$10,500.00

California CARB Compliance Kit (Fuel Vapor Carbon Canister for Viper™ Gas Series)  
\$125.00

### Viper™ Diesel - Diesel Driven Rotary Screw Air Compressor

Viper™ - 60 CFM @ 150 PSI - 25 HP Kubota® Diesel \$16,200.00

Viper™ - 60 CFM @ 150 PSI - 25 HP Kubota® Diesel (No Fuel Tank and Fuel Pump Included) \$16,200.00

Viper™ - 70 CFM @ 125 PSI - 25 HP Kubota® Diesel (100 PSI for Elevation Above 3500')  
\$16,200.00

Viper™ - 80 CFM @ 100 PSI - 25 HP Kubota® Diesel \$16,200.00

Viper™ - 80 CFM @ 100 PSI - 25 HP Kubota® Diesel (No Fuel Tank and Fuel Pump Included) \$16,200.00

Viper™ - 80 CFM @ 100 PSI with Cold Weather Kit - 25 HP Kubota® Diesel\*Power for cold weather kit must be from external power source \$17,500.00

### Harness, Kits, Options and Accessories

#### Harnesses and Accessories for Diesel Models

Remote Mount Control Panel Box and Connection Harness - 6' \$364.00

Remote Mount Control Panel Box and Connection Harness - 10' \$390.00

Remote Mount Control Panel Box and Connection Harness - 14' \$413.00

Remote Mount Control Panel Box and Connection Harness - 18' \$439.00

Remote Mount Control Panel Box and Connection Harness - 22' \$461.00

Remote Mount Control Panel Box and Connection Harness - 26' \$491.00

#### Cold Weather Kits

Cold Weather Kit 12V - Viper™ Gas Series (Compressor, Engine and Inlet and Regulator Heaters)\* Requires External 12V Power Source \$498.00

Cold Weather Kit 12V - Viper™ Generator Series (Compressor and Engine Heaters)\* \$418.00

Cold Weather Kit 12V - Viper™ Diesel Series (Compressor and Engine and Inlet Heaters)\* \$498.00

Cold Weather 120V Block Heater, Viper™ Diesel \$264.00

\*Cold weather kits must be ordered and installed at time of factory build

#### Standard Service Kits and Oil for Viper Series

Compressor Service Kit, Initial 50 Hours, Viper Gas and Diesel Series (Vanguard™ Oil and Oil Filter) \$268.00

Compressor Service Kit, 500 Hour, Viper Gas and Diesel Series (Vanguard™ Oil, Oil Filter and Air Filter), Spin-On Oil Separator \$380.00

Engine Service Kit - Viper™ Gas (Oil Filter, Air Filter, Fuel Filter, In-Line Fuel Filter, 1 Qt. of Oil) \$105.00

Engine Service Kit (Viper D series) (One Gallon Oil, Oil Filter, Fuel Filter and Air Filter) \$239.00

Vanguard™ Premium Oil (One Gallon - Four Pack) \$363.00

Vanguard™ Premium Green Oil (One Gallon - Four Pack) \$513.00

Tanner De-Icer \$990.00
