MAXIMUM OUTPUT BLOWER

Little Wonder is excited to introduce Self Propelled blowers – our newest and most productive models. With a fast transport speed and infinitely variable forward and reverse, you will get on and off the jobsite quickly. The revolutionary power, performance and newest features of Little Wonder blowers are included on these models.

- 0-4.1 mph travel speed in forward
- Top speed gets you to the work area quickly
- 0 – 2.5 mph travel speed in reverse
- In work conditions, set travel speed to match the job – forward or reverse
- Durable solid linkage for direction and speed control
- Proven belt powered friction disk drive
- Maximum traction from the turf tread tires
- Enclosed drive system with access holes for chain lubrication
- 5 models so you have your choice of engine
- 5 year limited warranty – the best in the industry!
- The optional swivel wheel kit can be used with these models
