

MAXTREME

Take versatility to the extreme with Maxtreme. By using a Strato-Charged® engine as the single power source, a seven-point, splined, solid-steel drive shaft, and quick connect coupler, you can get up to twelve handheld machines in one. RedMax's wide range of attachments can be switched out quickly and easily, and deliver all the power you need to get the job done.

MAXTREME FEATURES:

- 1. High performance and efficient Strato-Charged® engine
- 2. Skid plate
- 3. Full wrap Free Flow™ air net system
- 4. Durable, long, ergonomic throttle trigger.
- 5. Quick-connect coupler
- 6. High visibility debris guard
- 7. Commercial-duty tap head
- 8. Cushioned loop handle
