

Bulkheads (Choose one with order)	
Part Number	Description
739406051	Standard bulkhead (flush with the front of the body)
739406001	Recessed bulkhead (recessed back from the front of the body)

Shelving & Slide-Out Trays	
P Description	a
	Shelving package with 13 adjustable shelves, 1 shelf with parts dividers, 1 shelf with book dividers, 3 material hooks
	Shelving for front compartment left side or right side - 1 shelf
	Shelving for mid compartment left side or right side – 3 shelves
	Shelving for horizontal compartment – right side - 1 shelf with tall dividers
	Shelving for horizontal compartment left side - 1 shelf with short dividers
	Shelving for rear compartment opposite crane box - 3 shelves
	Shelving for crane compartment – 1 fixed shelf

Toolboxes	
P Description	a
	Front compartment – Aluminum Toolbox (2) 7", (2) 5", (5) 3"
	Mid compartment – Aluminum Toolbox (3) 7", (2) 5", (4) 3"
	Mid compartment – Bolt Bin (18 bin)
	Horizontal compartment – Aluminum Toolbox (3) 3"
	Horizontal compartment – Aluminum Toolbox (4) 3"
	Horizontal compartment – Aluminum Toolbox (5) 3"
	Horizontal compartment – Bolt Bin (15 bin)
	Rear compartment – Aluminum Toolbox (3) 7", (2) 5", (4) 3"
	Install toolbox (Add to part number above for each toolbox) <i>A</i>

Interior Lighting Options	
<a href="https://autocrane.us/product-category/accessories/lights/">https://autocrane.us/product-category/accessories/lights/</a>	
P Description	List Price
a	
LED interior compartment lighting (1) 15" light per compartment	\$944

Full Lenth LED interior compartment lighting for 58" tall full length bodies (1) 48" light per vertical & 18" horizontal & crane compartment	\$1,082
----------------------------------------------------------------------------------------------------------------------------------------------	---------

Install interior lighting (Add to part number above) A

### Oxygen/Acetylene Compartment Options

**P Description**  
**a**

Three oxygen/acetylene bottle holders with hose holder (for standard or tall compartment)

Oxy divider / shelving package for front compartment (fits 58" tall front compartment)

Mid compartment oxygen/acetylene holder (2 bottles)

Mid compartment oxy/acet bottle holder (2 bottle, clamp style)

Drop-well Assembly (2" deep)

Drop-well assembly (6" deep)

Mid compartment drop-well (2" deep)

### Outriggers

**P Description**  
**a**

Shipping tube, to be ordered when outriggers are not installed

Full hydraulic outriggers – double slide - Right Side Crane

Full hydraulic outriggers – double slide - Left Side Crane

Install outrigger (Add to part number above) A

### Bumpers & Accessories

**P Description**  
**a**

30" workbench bumper (vise plate, storage area and integrated step) – Right Side Crane

30" workbench bumper (vise plate, storage area and integrated step) – Left Side Crane

Install bumper mounting plates (Add to part number above)

Install bumper (Add to bumper part number if it is a factory upfit, includes installing bumper mounting plates)

Reinforced bumper overlay for 30" bumper for hydraulic outriggers

Additional vise plate for bumpers (3/8" X 10" X 15")

Additional vise plate installed (Includes above part number)

Wilton 6" Vise

Install vise, tapped plate (add to vise part number above)

Wilton 8" Vise

### Receiver Hitch

	Part Number	Description
	List Price	Installed List
760365010		Receiver hitch for 30" bumper

### Trailer Plugs

#### P Description

a

Trailer socket – heavy duty with round pins (SAE J560)	
Trailer wiring socket – 7 way spade	
Install trailer plug (Add to part number above)	A

### Underbody Lighting

	Part Number	Description
	List Price	Installed List
475300380		Underbody lighting, installed (10 lights)

### Paint

#### P Description

a

(Auto Crane White) Painted on the outside and inside of the body	
(Auto Crane White) Painted on the outside of the body and multicolor coating on the inside of the compartments	
(Auto Crane White) -painted inside compartments only	
Coating, multicolor - inside compartments only	
Custom Paint	

### Titan Armor (In place of Paint)

<https://autocrane.us/product/titan-armor/>

Part Number	Description
750631012	Titan Armor, painted white on the outside, multicolor on the inside
750631010	Titan Armor, custom paint on the outside, multicolor on the inside

### Bedliner & Rock Guard Options

<https://autocrane.us/product-category/accessories/coatings/>

#### P Description

a

Bedliner - Floor and Sides Only	
---------------------------------	--

Bedliner - Floor, Sides and Compartment Tops
Bedliner - Workbench bumper
Arctic Package (rock guard coating for paint protection)
Bedliner - Front of Body
Bedliner Repair Kit (8 sq. ft.)
Rock guard installation, 21" x 21" aluminum diamond plated
<b>Boom Support</b>
<b>P Description</b>
<b>a</b>
Boom support (EHC-3.2 & EHC-4 cranes)
Boom support (EHC-5 – HC-14 cranes)
Install boom support (Add to part number above) <span style="float: right;">A</span>

<b>Light Bars &amp; Headache Racks</b>
<b>P Description</b>
<b>a</b>
Light bar – 17 9/16" tall – Ford chassis
Light bar – 27" tall – Freightliner, Kenworth & International chassis
Light bar – 33" tall – Peterbilt & Hino chassis
Headache rack, Titan 38-85, 24 1/2" tall

<b>Work Light Options</b>
<b>P Description</b>
<b>a</b>
LED Floodlight, square, 1600 lumens
Install work lights (Add to part number above) <span style="float: right;">A</span>

<b>Hand Rail Option (See pictures in next section)</b>
<b>P Description</b>
<b>a</b>
Hand rail (rear of body to bumper, replaces grab handle - left side)
Hand rail (rear of body to bumper, replaces grab handle - right side)
Hand rail, from top left rear of body to bumper
Install hand rail (Add to part number above) <span style="float: right;">A</span>

<b>Compartment Hook Options</b>
<b>P Description</b>
<b>a</b>
Oxygen / acetylene hook assembly

J-hook
Chain hook assembly
Swivel J-hook

### Master Locking Systems

Part Number	Description
760570000	Master lock system stainless/steel – 58” full length Installed

### Sliding Tops

P Description	a
---------------	---

F Lockable sliding top - Titan 85 - 120" CA

Paint sliding top (Auto Crane White)

Paint sliding top custom color

Install sliding top (Add to part number above)

### Salvage System

P Description	a
---------------	---

Salvage system, integrated, single tank, 60 gal

### Body Installation Kits

Part Number	Description
-------------	-------------

560581000 Body installation kit

### Body Installation Charge

	Part Number	Description
	List Price	Installed List
716851001		Install body on Class 6 & 7 chassis, includes mudflaps (Add to body
\$5,755		

### Crane Installation Charges

P Description	a
---------------	---

Install 2003, 3203, or 4004EH crane (Add to crane part number if upfit at factory)

Install hydraulic crane (Add to crane part number if upfit at factory)

Install 5005EH or 6006EH crane - includes battery and battery box (Add to crane part number if upfit at factory)

### Equipment

<b>P</b>	<b>Description</b>	<b>List Price</b>
<b>a</b>		
	ICC safety kit (Complies with FMVH Safety Standard No. 125, Sec. 571.125)	\$85.75
	Fire extinguisher (Complies with FMCS Regs. Sec. 393.95 – classification 2 – A:10-B:C unit)	\$156
	Backup safety alarm	
<b>PTO (For Factory Intalls Only)</b>		
<b>Part Number</b>	<b>Description</b>	
736997000	PTO and installation for an automatic transmission	
736998000	PTO and installation for a manual transmission	

<b>Spring Reinforcement</b>		
	<b>Part Number</b>	<b>Description</b>

Mid compartment oxy/acet bottle holder (2 bottle, clamp style)	
Drop-well Assembly (2" deep)	
Drop-well assembly (6" deep)	
Mid compartment drop-well (2" deep)	

### Outriggers

<b>P Description</b>	
<b>a</b>	
Shipping tube, to be ordered when outriggers are not installed	
Full manual outriggers, Right Side Crane	
Full hydraulic outriggers – double slide - Right Side Crane	
Full hydraulic outriggers – double slide - Left Side Crane	

Full hydraulic outriggers - remote valve bank - double slide - Right Side Crane	
C Full hydraulic outriggers - remote valve bank - double slide - Left Side a Crane	
Full hydraulic outriggers, single slide - Right Side Crane*	
C Full hydraulic outriggers, single slide - Left Side Crane*	
Install outrigger (Add to part number above)	Add

**Notes:**

\* The single slide outriggers have less than 100% capacity on truck sides to maintain

Bumpers & Accessories	
P Description	
a	
30" workbench bumper for manual outriggers only (vise plate, storage area and integrated step) - Right Side Crane	
30" workbench bumper (vise plate, storage area and integrated step) – \$2,267 Right Side Crane (designed for double slide outrigger)	
30" workbench bumper (vise plate, storage area and integrated step) – \$2,267 Left Side Crane (designed for double slide outrigger)	
30" workbench bumper, for remote mount valve bank - Right Side Crane (designed for double slide outrigger)	
30" workbench bumper (vise plate, storage area and integrated step) – \$2,267 Right Side Crane (designed for single slide outrigger)	
C 30" workbench bumper (vise plate, storage area and integrated step) – \$2,267 a Left Side Crane (designed for single slide outrigger)	
24" workbench bumper (vise plate, storage area and integrated step) – \$2,299 Right Side Crane (designed for single slide outrigger)	
24" workbench bumper (vise plate, storage area and integrated step) – \$2,299 Left Side Crane (designed for single slide outrigger)	
Install bumper mounting plates (Add to part number above)	Add
Install bumper (Add to bumper part number if it is a factory upfit, includes installing bumper mounting plates)	Add \$28
Reinforced bumper overlay (for 24" bumper)	
Additional vise plate for bumpers (3/8" X 10" X 15")	
Additional vise plate installed (Includes above part number)	
Wilton 6" Vise	
Install vise, tapped plate (add to vise part number above)	Add
Wilton 8" Vise	

<b>Receiver Hitch</b>
-----------------------

Part Number	Description
760365010	Receiver hitch for 30" bumper
560456010	Receiver hitch for 24" bumper

### Trailer Plugs

P Description	
a	
	Trailer socket – heavy duty with round pins (SAE J560)
	Trailer wiring socket – 7 way spade
	Install trailer plug (Add to part number above) <span style="float: right;">Add</span>

### Paint

<https://autocrane.us/product/titan-armor/>

Part Number	Description
750631012	Titan Armor, painted white on the outside, multicolor on the inside
750631010	Titan Armor, custom paint on the outside, multicolor on the inside

### Bedliner & Rock Guard Options

<https://autocrane.us/product-category/accessories/coatings/>

P Description	
a	
	Bedliner - Floor and Sides Only
	Bedliner - Floor, Sides and Compartment Tops
	Bedliner - Workbench bumper
	Arctic Package (rock guard coating for paint protection)
	Bedliner - Front of Body
	Bedliner Repair Kit (8 sq. ft.)
	Rock guard installation, 21" x 21" aluminum diamond plated

### Light Bars & Headache Racks

**P Description**

**a**

Light bar – 17 9/16” tall – Ford chassis

Light bar – 27” tall – Freightliner, Kenworth & International chassis

Light bar – 33” tall – Peterbilt & Hino chassis

Headache rack, Titan 38-85, 24 ½” tall

### Work Light Options

**Part Number Description**

475300034 LED Floodlight, square, 1600 lumens

716861000 Install work lights (Add to part number above) Add

### Hand Rail Option (See pictures in next section)

**P Description**

**a**

Hand rail (rear of body to bumper, replaces grab handle - left)

Hand rail (rear of body to bumper, replaces grab handle - right)

Hand rail, from top left rear of body to bumper

Install hand rail (Add to part number above) Add

### Compartment Hook Options

**P Description**

**a**

Oxygen / acetylene hook assembly

J-hook

Chain hook assembly

Swivel J-hook

### Sliding Tops

**P Description**

**a**

**Ins**

**tal**

F Lockable sliding top - Titan 60 - 84 CA

Paint sliding top (Auto Crane White) \$827

Paint sliding top custom color \$1,294

Install sliding top (Add to part number above) \$1,251

### Salvage System

**Part Number Description**

601000008	Salvage system, integrated, single tank, 60 gal
-----------	-------------------------------------------------

Body Installation Kits	
Part Number	Description
560581000	Body installation kit

Body Installation Charge		
	Part Number	Description
	List Price	Installed List
716851001		Install body on Class 6 & 7 chassis, includes mudflaps (Add to body
	\$5,755	

Crane Installation Charges	
P	Description
a	
	Install 2003, 3203, or 4004EH crane (Add to crane part number if upfit at factory)
	Install hydraulic crane (Add to crane part number if upfit at factory)
	Install 5005EH or 6006EH crane - includes battery and battery box (Add to crane part number if upfit at factory)

Equipment	
P	Description
a	
	ICC safety kit (Complies with FMVH Safety Standard No. 125, Sec. 571.125)
	Fire extinguisher (Complies with FMCS Regs. Sec. 393.95 – classification 2 – A:10-B:C unit)
	Backup safety alarm

PTO (For Factory Intalls Only)	
Part Number	Description
736997000	PTO and installation for an automatic transmission
736998000	PTO and installation for a manual transmission

Spring Reinforcement		
	Part Number	Description
	List Price	Installed List
736995001		Spring reinforcement

## Hydraulic Reservoirs

	Part Number	Description
	List Price	Installed List
480420100	15-gallon reservoir with return filter, sight gauge, and suction strainer	\$610
751095070	36-gallon bulkhead reservoir to fit inside 50" wide cargo area with return filter and sight gauge	\$1,305
340169400	Oil Cooler Kit (for use when oil temperature exceeds 180°, or application prevents install of recommended 2x total GPM tank capacity, or crane and/or compressor is operated in continuous duty applications)	\$2,689

## Hydraulic Installation Kits

Part Number	Description	
760485000	Hose kit for Titan 60	
738489000	Install hydraulic components (Add to hose kit part number if upfit at factory)	Add \$1,

## Speed Control

P	Description	
a	Relay Box Assembly	
	Install relay box (Add to relay box assembly part number if upfit at factory)	Add \$1,
	Power Switch Control Panel Assembly	
	Install control panel (Add to control panel assembly part number if upfit at factory)	Add \$93
	Stand for Control Panel (include with above part number if mounting in cab of chassis)	

## Bulkheads (Choose one with order)

Part Number	Description
739406051	Standard bulkhead (flush with the front of the body)
739406001	Recessed bulkhead (recessed back from the front of the body)

## Shelving & Slide-Out Trays

P	Description
a	Shelving package with 11 adjustable shelves, 1 shelf with parts dividers, 1 shelf with book dividers, 3 material hooks
	Shelving for front compartment left side or right side - 1 shelf
	Shelving for mid compartment left or right side – 3 shelves

Shelving for horizontal compartment – right side - 1 shelf with tall dividers
Shelving for horizontal compartment left side - 1 shelf with short dividers
Shelving for rear compartment opposite crane box - 3 shelves
Shelving for crane compartment – 1 shelf
Heavy-duty slide out tray for left side and right side front compartment (500 lb. slides)

Toolboxes	
<b>P Description</b>	
<b>a</b>	
Front compartment – Aluminum Toolbox (2) 7", (2) 5", (5) 3"	
Mid compartment – Aluminum Toolbox (3) 7", (2) 5", (4) 3"	
Mid compartment – Bolt Bin (18 bin)	
Horizontal compartment – Aluminum Toolbox (3) 3"	
Horizontal compartment – Aluminum Toolbox (4) 3"	
Horizontal compartment – Aluminum Toolbox (5) 3"	
Horizontal compartment – Bolt Bin (15 bin)	
Rear compartment – Aluminum Toolbox (3) 7", (2) 5", (4) 3"	
Install toolbox (Add to part number above for each toolbox)	A

Interior Lighting Options	
<a href="https://autocrane.us/product-category/accessories/lights/">https://autocrane.us/product-category/accessories/lights/</a>	
<b>P Description</b>	
<b>a</b>	
LED interior compartment lighting (1) 15" light per compartment	
Full Lenth LED interior compartment lighting for 52" tall bodies (36" vertical & 18" horizontal, 2 per double door compartments and 1 per single door compartments)	
Full Lenth LED interior compartment lighting for 58" tall bodies (48" vertical & 18" horizontal, 2 per double door compartments and 1 per single door compartments)	
Install interior lights (Add to part number above)	A

Oxygen/Acetylene Compartment Options	
<b>P Description</b>	
<b>a</b>	
Three oxygen/acetylene bottle holders with hose holder (for standard or tall compartment)	
Oxy divider / shelving package for front compartment (fits 58" tall front compartment)	
Mid compartment oxygen/acetylene holder (2 bottles)	

Mid compartment oxy/acet bottle holder (2 bottle, clamp style)
Drop-well Assembly (2" deep)
Drop-well assembly (6" deep)
Mid compartment drop-well (2" deep)

### Outriggers

<b>P Description</b>
<b>a</b>
Shipping tube, to be ordered when outriggers are not installed
Full manual outriggers – Right Side Crane
Full manual outriggers – Left Side Crane
Full hydraulic outriggers – Right Side Crane
Full hydraulic outriggers – Left Side Crane
Install outrigger (Add to part number above) <span style="float: right;">A</span>

### Bumpers & Accessories

<b>P Description</b>
<b>a</b>
24" workbench bumper (vise plate, storage area and integrated step) – Right Side Crane
24" workbench bumper (vise plate, storage area and integrated step) – Left Side Crane
Install bumper mounting plates (Add to part number above)

751095070		36-gallon bulkhead reservoir to fit inside 50" wide cargo area with return filter and sight gauge
		\$1,305
340169400		Oil Cooler Kit (for use when oil temperature exceeds 180°, or application prevents install of recommended 2x total GPM tank capacity, or crane and/or compressor is operated in continuous duty applications)
		\$2,689

PTO (For Factory Intalls Only)	
Part Number	Description

736997000	PTO and installation for an automatic transmission
736998000	PTO and installation for a manual transmission

### Spring Reinforcement

	Part Number	Description	Part Number	Description
			List Price	Installed List
736995001	Spring reinforcement			

### Hydraulic Installation Kits

Part Number	Description	
560485000	Hose kit for Titan 50	
738489000	Install hydraulic components (Add to hose kit part number if upfit at factory)	A C

### Speed Control

P	Description	
a	Relay Box Assembly	
	Install relay box (Add to relay box assembly part number if upfit at factory)	A C
	Power Switch Control Panel Assembly	
	Install control panel (Add to control panel assembly part number if upfit at factory)	A C
	Stand for Control Panel (include with above part number if mounting in cab of chassis)	

### Bulkheads (Choose one with order)

Part Number	Description
715306010	Standard bulkhead (flush with the front of the body)
715306011	Recessed bulkhead (recessed back from the front of the body)

### Additional Shelving

P	Description	
a	Shelf kit for rear compartment opposite crane box (2) shelves	
	Single shelf for front compartment	
	Single shelf for mid compartment	
	Install single shelf and shelf strips (Add to part number above)	A
	Slide out tray for front compartment	

### Toolboxes

<b>P Description</b>	
<b>a</b>	
Front compartment – Aluminum Toolbox (1) 7", (2) 5", (4) 3"	
Front compartment – Aluminum Toolbox (1) 7", (2) 5", (5) 3"	
Mid compartment - Aluminum Toolbox (1) 7", (2) 5", (4) 3"	
Horizontal compartment – Aluminum Toolbox (4) 3"	
Horizontal compartment – Aluminum Toolbox (3) 3"	
Rear compartment – Aluminum Toolbox (1) 7", (2) 5", (4) 3"	
Install toolbox (Add to part number above for each toolbox)	A

### Oxygen/Acetylene Compartment Options

<b>P Description</b>	
<b>a</b>	
Three oxygen/acetylene bottle holders with hose holder (for standard or tall compartment)	
Oxy divider / shelving package for front compartment (fits 58" tall front compartment)	
Drop-Well Assembly (2" Deep)	

### Interior Lighting Options

<https://autocrane.us/product-category/accessories/lights/>

	<b>Part Number</b>	<b>Description</b>
	<b>List Price</b>	<b>Installed List</b>
475300112		LED interior compartment lighting (1) 15" light per compartment
716869000		Install compartment lighting (Add to part number above)

### Grab Handle

	<b>Part Number</b>	<b>Description</b>
	<b>List Price</b>	<b>Installed List</b>
758025000		Grab handle (1)

### Bumper / Outriggers

<b>P Description</b>	
<b>a</b>	
Shipping tube, to be ordered when outriggers are not installed	
Manual outriggers with standard 8" bumper – Right Side Crane	
Manual outriggers with standard 8" bumper – Left Side Crane	
Manual outriggers with standard 12" bumper – Right Side Crane	
Manual outriggers with standard 12" bumper – Left Side Crane	
Manual outrigger with 20" workbench bumper – Right Side Crane	
Manual outrigger with 20" workbench bumper – Left Side Crane	
Install bumper/outrigger (Add to part number above)	A

## Receiver Hitch

### P Description

a

Receiver hitch (for 8" and 12" bumpers)

Install receiver hitch for upfit at factory only for 715135000 hitch  
(Add to part number above)

Receiver hitch (for 715158000, 20" bumper)

## Trailer Plugs

### P Description

a

Trailer socket – heavy duty with round pins (SAE J560)

Trailer wiring socket – 7 way spade

Install trailer plug (Add to part number above)

## Paint

<https://autocrane.us/product-category/accessories/coatings/>

### P Description

(Auto Crane White) Painted on the outside and inside of the body

(Auto Crane White) Painted on the outside of the body and  
multicolor coating on the inside of the compartments

(Auto Crane White) -painted inside compartments only

Coating, multicolor - inside compartments only

Custom Paint

## Titan Armor (In place of Paint)

<https://autocrane.us/product/titan-armor/>

### Part Number Description

750631012 Titan Armor, painted white on the outside, multicolor on the

750631010 Titan Armor, custom paint on the outside, multicolor on the inside

## Bedliner

<https://autocrane.us/product-category/accessories/coatings/>

### P Description

a

Bedliner - Floor and Sides Only

Bedliner - Floor, Sides and Compartment Tops

Bedliner - Workbench bumper

Arctic Package (rock guard coating for paint protection)

Bedliner - Front of Body

Bedliner Repair Kit (8 sq. ft.)

### Boom Support

Part Number	Description
715064020	Boom support (EHC-3.2 & EHC-4 cranes)
716858000	Install boom support (Add to part number above)

### Light Bars & Headache Racks

Part Number	Description
739317875	Light bar - Titan 16 – left side standard, right side tall
715309560	Headache rack - Titan 16 – left side standard, right side tall

### Work Light Options

P	Description
a	LED Floodlight, square, 1600 lumens
	Install work lights (Add to part number above)

### Compartment Hook Options

P	Description
a	Oxygen / acetylene hook assembly
	J-hook
	Chain hook assembly
	Swivel J-hook

### Master Locking Systems

P	Description
a	Master lock system stainless/steel – Standard body
	Master lock system stainless/steel – RS Tall body
	Master lock system stainless/steel – LS Tall body
	Master lock system stainless/steel – LS/RS Tall body

### Fuel & Fuel/DEF Cut-Outs

P	Description
a	Fuel / DEF filler cut-outs (2 cut-outs)
	Fuel cut-out RAM (1 cut-out)
	Fuel cut-out only, Ford Chassis (1 cut-out)
	Fuel cut-out only, Chevy Chassis (1 cut-out)

### Body Installation Kits

Part Number	Description
560579000	Body installation kit (for Ford F-350, F-450, and F-550 chassis)
560579100	Body installation kit (for RAM chassis)

### Body Installation Charge

	Part Number	Description
	List Price	Installed List
716851000		Install body on Class 5 and below chassis, includes mud flaps (Add \$5,048)

### Crane Installation Charges

Part Number	Description
750678000	Install EC-2X, EHC-3.2 & EHC-4 crane (Add to crane part number if upfit at factory)
750679000	Install hydraulic crane (Add to crane part number if upfit at

### Equipment

P	Description	List Price
a	ICC safety kit (Complies with FMVH Safety Standard No. 125, Sec. 571.125)	\$86
	Fire extinguisher (Complies with FMCS Regs. Sec. 393.95 – classification 2 – A:10-B:C unit)	\$156
	Backup safety alarm	

### PTO (For Factory Intalls Only)

Part Number	Description
736997000	PTO and installation for an automatic transmission
736998000	PTO and installation for a manual transmission

### Spring Reinforcement

	Part Number	Description
	List Price	Installed List
736995001		Spring reinforcement

### Bulkheads (Choose one with order)

Part Number	Description
715306010	Standard bulkhead (flush with the front of the body)

715306011 Recessed bulkhead (recessed back from the front of the body)

### Additional Shelving

#### P Description

a

Shelf kit for rear compartment opposite crane box (2) shelves

Single shelf for front compartment

Install single shelf and shelf strips (Add to part number above)

Slide out tray for front compartment

### Toolboxes

#### P Description

a

Front compartment – Aluminum Toolbox (1) 7", (2) 5", (4) 3"

Front compartment – Aluminum Toolbox (1) 7", (2) 5", (5) 3"

Horizontal compartment – Aluminum Toolbox (4) 3"

Horizontal compartment – Aluminum Toolbox (3) 3"

Rear compartment – Aluminum Toolbox (1) 7", (2) 5", (4) 3"

Install toolbox (Add to part number above for each toolbox)

### Oxygen/Acetylene Compartment Options

#### P Description

a

Three oxygen/acetylene bottle holders with hose holder (for standard or tall compartment)

Oxy divider / shelving package for front compartment (fits 58" tall front compartment)

Drop-Well Assembly (2" Deep)

### Interior Lighting Options

<https://autocrane.us/product-category/accessories/lights/>

	Part Number	Description	List Price	Installed
475300111		LED interior compartment lighting (1) 15" light per compartment		
716869000		Install compartment lighting (Add to part number above)		

### Grab Handle

	Part Number	Description	List Price	Installed
758025000		Grab handle (1)		

### Bumper / Outriggers

<b>P Description</b>	
<b>a</b>	
	Shipping tube, to be ordered when outriggers are not installed
	Manual outriggers with standard 8" bumper – Right Side Crane
	Manual outriggers with standard 8" bumper – Left Side Crane
	Manual outriggers with standard 12" bumper – Right Side Crane
	Manual outriggers with standard 12" bumper – Left Side Crane
	Manual outrigger with 20" workbench bumper – Right Side Crane
	Manual outrigger with 20" workbench bumper – Left Side Crane
	Install bumper/outrigger (Add to part number above)

<b>Receiver Hitch</b>	
<b>P Description</b>	
<b>a</b>	
	Receiver hitch (for 8" and 12" bumpers)
	Install receiver hitch for upfit at factory only for 715135000 hitch (Add to part number above)
	Receiver hitch (for 715158000, 20" bumper)

<b>Trailer Plugs</b>	
<b>P Description</b>	
<b>a</b>	
	Trailer socket – heavy duty with round pins (SAE J560)
	Trailer wiring socket – 7 way spade
	Install trailer plug (Add to part number above)

<b>Paint</b>

<b>P Description</b>
<b>a</b>
ICC safety kit (Complies with FMVH Safety Standard No. 125, Sec. 571.125)
Fire extinguisher (Complies with FMCS Regs. Sec. 393.95 – classification 2 – A:10-B:C unit)
Backup safety alarm

**PTO (For Factory Installs Only)**

Part Number	Description
736997000	PTO and installation for an automatic transmission
736998000	PTO and installation for a manual transmission
Spring Reinforcement (For Factory Installs Only)	
Part Number	Description
List Price	Installed
736995001	Spring reinforcement

Hydraulic Reservoirs	
Part Number	Description
List Price	Installed
480420100	15-gallon reservoir with return filter, sight gauge, and suction strainer \$610
751095070	36-gallon bulkhead reservoir to fit inside 50" wide cargo area with return filter and sight gauge \$1,305
340169400	Oil Cooler Kit (for use when oil temperature exceeds 180°, or application prevents install of recommended 2x total GPM tank capacity, or crane and/or compressor is operated in continuous duty applications) \$2,689

Hydraulic Installation Kits	
P	Description
a	
	Hydraulic Hose Kit for RAM - Tandem Pump
	Hydraulic Hose Kit for Ford F550 (Must also include the 560588010)
	Hydraulic Hose Kit for RAM - Single Pump (Must also include the 560588010)
	Priority flow valve w/ relief (Add to hose kit part number if upfit at factory)
	Install hydraulic components (Add to hose kit part number if upfit at factory)

Speed Control	
P	Description
a	
	Engine start / stop
	Engine start / stop (Includes above part number)
	Auxiliary relay kit
	Auxiliary relay kit (Includes above part number)

### Install Chassis Supplied Back-Up Camera

<b>P Description</b>	
<b>a</b>	
	Install back-up camera that comes with chassis, RAM
	Install back-up camera that comes with chassis, Ford
	Install back-up camera that comes with chassis, International/Chevy
<b>Bulkheads (Choose one with order)</b>	
<b>Part Number</b>	<b>Description</b>
715306010	Standard bulkhead (flush with the front of the body)
715306011	Recessed bulkhead (recessed back from the front of the body)

<b>Additional Shelving</b>	
<b>P Description</b>	
<b>a</b>	
	Shelf kit for rear compartment opposite crane box (2) shelves
	Single shelf for front compartment
	Single shelf for mid compartment
	Install single shelf and shelf strips (Add to part number above) <i>A</i>
	Slide out tray for front compartment

<b>Toolboxes</b>	
<b>P Description</b>	
<b>a</b>	
	Front compartment – Aluminum Toolbox (1) 7", (2) 5", (4) 3"
	Front compartment – Aluminum Toolbox (1) 7", (2) 5", (5) 3"
	Mid compartment - Aluminum Toolbox (1) 7", (2) 5", (4) 3"
	Horizontal compartment – Aluminum Toolbox (4) 3"
	Horizontal compartment – Aluminum Toolbox (3) 3"
	Rear compartment – Aluminum Toolbox (1) 7", (2) 5", (4) 3"
	Install toolbox (Add to part number above for each toolbox) <i>A</i>

<b>Oxygen/Acetylene Compartment Options</b>	
<b>P Description</b>	
<b>a</b>	
	Three oxygen/acetylene bottle holders with hose holder (for standard or tall compartment)
	Oxy divider / shelving package for front compartment (fits 58" tall front compartment)
	Drop-Well Assembly (2" Deep)

## Interior Lighting Options

**P Description**

**a**

Hydraulic Hose Kit for RAM - Tandem Pump

Hydraulic Hose Kit for Ford F550 (Must also include the 560588010)

Hydraulic Hose Kit for RAM - Single Pump (Must also include the 560588010)

Priority flow valve w/ relief (Add to hose kit part number if upfit at factory)

Install hydraulic components (Add to hose kit part number if upfit at factory)

### Speed Control

**P Description**

**a**

Engine start / stop

Engine start / stop (Includes above part number)

Auxiliary relay kit

Auxiliary relay kit (Includes above part number)

### Install Chassis Supplied Back-Up Camera

**P Description**

**a**

Install back-up camera that comes with chassis, RAM

Install back-up camera that comes with chassis, Ford

Install back-up camera that comes with chassis, International/Chevy

### Bulkheads (Choose one with order)

**Part Number    Description**

715306010    Standard bulkhead (flush with the front of the body)

715306011    Recessed bulkhead (recessed back from the front of the body)

### Additional Shelving

**P Description**

**a**

Shelf kit for rear compartment opposite crane box (2) shelves

Single shelf for front compartment

Single shelf for mid compartment

Install single shelf and shelf strips (Add to part number above)

Slide out tray for front compartment
--------------------------------------

Toolboxes	
<b>P Description</b>	
<b>a</b>	
Front compartment – Aluminum Toolbox (1) 7", (2) 5", (4) 3"	
Front compartment – Aluminum Toolbox (1) 7", (2) 5", (5) 3"	
Mid compartment - Aluminum Toolbox (1) 7", (2) 5", (4) 3"	
Horizontal compartment – Aluminum Toolbox (4) 3"	
Horizontal compartment – Aluminum Toolbox (3) 3"	
Rear compartment – Aluminum Toolbox (1) 7", (2) 5", (4) 3"	
Install toolbox (Add to part number above for each toolbox)	A

Oxygen/Acetylene Compartment Options	
<b>P Description</b>	
<b>a</b>	
Three oxygen/acetylene bottle holders with hose holder (for standard or tall compartment)	
Oxy divider / shelving package for front compartment (fits 58" tall front compartment)	
Drop-Well Assembly (2" Deep)	

Interior Lighting Options		
<a href="https://autocrane.us/product-category/accessories/lights/">https://autocrane.us/product-category/accessories/lights/</a>		
	Part Number	Description
	List Price	Installed List
475300112	LED interior compartment lighting (1) 15" light per compartment	
716869000	Install compartment lighting (Add to part number above)	

Grab Handle		
	Part Number	Description
	List Price	Installed List
758025000	Grab handle (1)	

Bumper / Outriggers	
<b>P Description</b>	
<b>a</b>	
Shipping tube, to be ordered when outriggers are not installed	
Manual outriggers with standard 8" bumper – Right Side Crane	
Manual outriggers with standard 8" bumper – Left Side Crane	
Manual outriggers with standard 12" bumper – Right Side Crane	
Manual outriggers with standard 12" bumper – Left Side Crane	
Manual outrigger with 20" workbench bumper – Right Side Crane	

Manual outrigger with 20" workbench bumper – Left Side Crane	
Install bumper/outrigger (Add to part number above)	A

Receiver Hitch	
<b>P Description</b>	
<b>a</b>	
Receiver hitch (for 8" and 12" bumpers)	
Install receiver hitch for upfit at factory only for 715135000 hitch (Add to part number above)	A C
Receiver hitch (for 715158000, 20" bumper)	

Trailer Plugs	
<b>P Description</b>	
<b>a</b>	
Trailer socket – heavy duty with round pins (SAE J560)	
Trailer wiring socket – 7 way spade	
Install trailer plug (Add to part number above)	A

Paint	
<a href="https://autocrane.us/product-category/accessories/coatings/">https://autocrane.us/product-category/accessories/coatings/</a>	
<b>P Description</b>	
<b>a</b>	
(Auto Crane White) Painted on the outside and inside of the body	
(Auto Crane White) Painted on the outside of the body and multicolor coating on the inside of the compartments	
(Auto Crane White) -painted inside compartments only	
Coating, multicolor - inside compartments only	
Custom Paint	

Titan Armor (In place of Paint)	
<a href="https://autocrane.us/product/titan-armor/">https://autocrane.us/product/titan-armor/</a>	
Part Number	Description
750631012	Titan Armor, painted white on the outside, multicolor on the
750631010	Titan Armor, custom paint on the outside, multicolor on the inside

Bedliner	
<a href="https://autocrane.us/product-category/accessories/coatings/">https://autocrane.us/product-category/accessories/coatings/</a>	
<b>P Description</b>	
<b>a</b>	
Bedliner - Floor and Sides Only	
Bedliner - Floor, Sides and Compartment Tops	
Bedliner - Workbench bumper	

Arctic Package (rock guard coating for paint protection)
Bedliner - Front of Body
Bedliner Repair Kit (8 sq. ft.)

Boom Support	
Part Number	Description
715064020	Boom support (EHC-3.2 & EHC-4 cranes)
716858000	Install boom support (Add to part number above)

Light Bars & Headache Racks	
Part Number	Description
739317875	Light bar - Titan 16 – left side standard, right side tall
715309560	Headache rack - Titan 16 – left side standard, right side tall

Work Light Options	
P	Description
a	LED Floodlight, square, 1600 lumens
	Install work lights (Add to part number above)

Compartment Hook Options	
P	Description
a	Oxygen / acetylene hook assembly
	J-hook
	Chain hook assembly
	Swivel J-hook

Master Locking Systems	
P	Description
a	Master lock system stainless/steel – Standard body
	Master lock system stainless/steel – RS Tall body
	Master lock system stainless/steel – LS Tall body
	Master lock system stainless/steel – LS/RS Tall body

Fuel & Fuel/DEF Cut-Outs	
P	Description
a	Fuel / DEF filler cut-outs (2 cut-outs)
	Fuel cut-out RAM (1 cut-out)

Fuel cut-out only, Ford Chassis (1 cut-out)
Fuel cut-out only, Chevy Chassis (1 cut-out)

Body Installation Kits	
Part Number	Description
560579000	Body installation kit (for Ford F-350, F-450, and F-550 chassis)
560579100	Body installation kit (for RAM chassis)

Body Installation Charge		
	Part Number	Description
	List Price	Installed List
716851000		Install body on Class 5 and below chassis, includes mud flaps (Add \$5,048)

Crane Installation Charges	
Part Number	Description
750678000	Install EC-2X, EHC-3.2 & EHC-4 crane (Add to crane part number if upfit at factory)
750679000	Install hydraulic crane (Add to crane part number if upfit at

Equipment		
P	Description	List Price
a		
	ICC safety kit (Complies with FMVH Safety Standard No. 125, Sec. 571.125)	\$86
	Fire extinguisher (Complies with FMCS Regs. Sec. 393.95 – classification 2 – A:10-B:C unit)	\$156
	Backup safety alarm	

PTO (For Factory Intalls Only)	
Part Number	Description
736997000	PTO and installation for an automatic transmission
736998000	PTO and installation for a manual transmission

Spring Reinforcement		
	Part Number	Description
	List Price	Installed List
736995001		Spring reinforcement

### Hydraulic Reservoirs

	<b>Part Number</b>	<b>Description</b>	<b>Installed List Price</b>
480420100	15-gallon reservoir with return filter, sight gauge, and suction strainer		\$610
751095070	36-gallon bulkhead reservoir to fit inside 50" wide cargo area with return filter and sight gauge		\$1,305
340169400	Oil Cooler Kit (for use when oil temperature exceeds 180°, or application prevents install of recommended 2x total GPM tank capacity, or crane and/or compressor is operated in continuous duty applications)		\$2,689

### Hydraulic Installation Kits

#### P Description a

Hydraulic Hose Kit for RAM - Tandem Pump	
Hydraulic Hose Kit for Ford F550 (Must also include the 560588010)	
Hydraulic Hose Kit for RAM - Single Pump (Must also include the 560588010)	
Priority flow valve w/ relief (Add to hose kit part number if upfit at factory)	
Install hydraulic components (Add to hose kit part number if upfit at factory)	A C

### Speed Control

#### P Description a

Engine start / stop	
Engine start / stop (Includes above part number)	
Auxiliary relay kit	
Auxiliary relay kit (Includes above part number)	

### Install Chassis Supplied Back-Up Camera

#### P Description a

Install back-up camera that comes with chassis, RAM	
Install back-up camera that comes with chassis, Ford	
Install back-up camera that comes with chassis, International/Chevy	

### Hydraulic Reservoirs

	<b>Part Number</b>	<b>Description</b>	<b>Installed List Price</b>

Full Manual Outrigger Assembly (38,000 ft-lb)  
Right Side Crane (for use with HC-7 or smaller crane)

Full Manual Outrigger Assembly (38,000 ft-lb)  
Left Side Crane (for use with HC-7 or smaller crane)

Manual I/O - Hydraulic U/D - Outrigger Assembly (38,000 ft-lb)  
Right Side Crane (for use with HC-7 or smaller crane)

Manual I/O - Hydraulic U/D - Outrigger Assembly (38,000 ft-lb) Left Side Crane  
(for use with HC-7 or smaller crane)

Full Hydraulic Outrigger Assembly (52,000 ft-lb)  
Right Side Crane (for use with HC-8 or smaller crane - required when  
mounting an HC-8 crane to a Titan 38 body)

Full Hydraulic Outrigger Assembly (52,000 ft-lb)

Left Side Crane (for use with HC-8 or smaller crane - required when mounting an HC-8 crane to a Titan 38 body)

Hydraulic In/Out, Up/Down Outriggers (50,000 ft-lb)

Right Side Crane (for 8406H crane or equivalent)

Hydraulic In/Out, Up/Down Outriggers (50,000 ft-lb)

Left Side Crane (for 8406H crane or equivalent)

Manual In/Out, Up/Down Outriggers (50,000 ft-lb)

Right Side Crane (for 8406H crane or equivalent)

Manual In/Out, Up/Down Outriggers (50,000 ft-lb)

Right Side Crane (for Titan 60 body)

Full hydraulic outriggers, single slide - Right Side Crane (use 24" bumper designed for single slide outrigger) (60,000 ft-lb)

C Full hydraulic outriggers, single slide - Left Side Crane (use 24" bumper  
a designed for single slide outrigger) (60,000 ft-lb)

Hydraulic In/Out, Up/Down Outriggers (85,000 ft-lb)

Right Side Crane (for Titan 60 & 85 body)

Hydraulic In/Out, Up/Down Outriggers (85,000 ft-lb)

Left Side Crane (for Titan 60 & 85 body)

**\* Jacklegs do not provide 360-degree stability for cranes of 10,000 ft. lbs.**
