STEEL SERVICE BODIES

With a rugged steel construction and external storage for your tools and equipment, the Service Body is a key component in your day-to-day productivity.

The external compartments offer protection from outside elements and allow technicians to access their equipment without having to climb into the truck bed.

Staying organized both on and between job sites is important. Get maximum efficiency with a Knapheide Service Body.

STANDARD SHELVING

All Knapheide Service Bodies come with the following standard shelving units:

- Two adjustable divider shelves and dividers, in the street and curb side front vertical compartments (1st and 2nd vertical 132" bodies only)
- One adjustable divider shelf and dividers in the street and curb side full height rear vertical compartments
- One adjustable divider shelf and dividers in the curb side horizontal compartment

STANDARD FEATURES

A Features 14-gauge, two-sided A-40 galvalneal steel shell

H Features double-shell, 20-gauge, two-sided A-40 galvalneal steel compartment doors
