# Specifications

# Tow-Behind Debris Collector-Trailer Mounted

## Engine

John Deere 4045TF 4-cylinder diesel engine rated at 99HP - Final T4.

## Engine Controls

Electronic engine controls with safety shut down.

## Drive

Belt driven via a 5-groove power band.

## PTO

13" clutch assembly with 2.25" PTO shaft and safety engagement system.

## Trailer

1/4" thick trailer deck with channel members on the ends.

## Axles

Single 7,000 lb. Torflex axle with EZ lube hubs and electric brakes with break-away actuator.

## Tires

(2) ST235-85-R16 radial tires on steel wheels.

## Options

- 2 or 3-axis hose boom (up/dn, left/rt, in/out)
- Wireless boom controls (multi-axis boom only)
- Hydraulic parking jack in lieu of manual
- Fluid drive coupler in lieu of standard clutch
- Remote electric throttle for engine
- Remote electric clutch for engine
- 45 degree intake hose flange
- Urethane suction hose in lieu of rubber
- Urethane coated liners for blower housing
- Driver's side (street) pick up
- 38" Hydraulic curb nozzle
- Hydraulic agitator for curb nozzle

## Radiator Screen

Corrugated radiator screen constructed from perforated steel to increase air flow for better cooling.

## Hose Boom

Hydraulic hose boom powered by a 12V electric/hydraulic pump.

## Intake Hose

16" x 120" rubber suction hose with steel nozzle.

## Impeller

38" dia. suction impeller with six 3/8" thick T-1 abrasive resistant steel plate blades. Replaceable 1/4" thick steel liners.

## Exhaust Hose

16" x 48" long rubber exhaust hose.

## Fuel Tank

44-gallon polyethylene fuel tank.

## Pintle Eye

Heavy-duty height adjustable pintle eye with three quick release pins.

## Parking Jack

Manual parking jack with 5" swivel wheel.

## Lights

LED type DOT trailer lights. One amber LED flasher light at the rear.

## Paint

All components are pre-painted with PPG paint - Unit - standard white, Engine housing - black. Other custom paint colors available as options.
