Screens - 3950 square inches, saw tooth design Twin dumping cylinders, 53 degrees Door hydraulically opened, closed and locked 15" X 27" inspection door Shroud enclosing the water tank and Hopper vibrator for dumping assistance Hopper vibrator for dumping assistance BLOWER Sweeper and drive system diagnostics Closed face turbine 10 curved blades, 32.75" Hopper tilted and door open indicator, hyd temp dia. by 5" wide Soo Brinell hardness abrasion resistant steel Fully balanced within 1.5 grams on both sides Vacuum enhancer, w/indicator in cab Remote grease line for fan bearing COMPONENT WARRANTIES (by respective manufacturer) Sweeper 12 Months, 1200 Hours VPD Device 36 months, unlimited hours Chassis sweeper engine 24 Months Sweep righting Sweeper lighting Sweeper in reverse Hopper dump - in cab INSTRUMENTS Water level, broom speed, hopper load, vacuum enhancer position Water level, broom speed, hopper load, vacuum enhancer position Sweeper and drive system diagnostics Hopper tilted and door open indicator, hyd temp sweeper setting console for left or right sweeping Sweep power setting Sweep power setting Two body props to lock hopper in raised position Rear Amber LED Strobe With Guard Rear Amber LED Strobe With Guard Silow moving vehicle emblem, backup alarm, Chassis sweeper engine 24 Months S-lb fire extinguisher, and a warning triangle kit. Sweeper hydraulic pumps and fittings 5 years	,	Dust control water by zone		
Twin dumping cylinders, 53 degrees Door hydraulically opened, closed and locked 15" X 27" inspection door Shroud enclosing the water tank and Hopper vibrator for dumping assistance Hopper vibrator for dumping assistance BLOWER Closed face turbine 10 curved blades, 32.75" dia. by 5" wide 500 Brinell hardness abrasion resistant steel Fully balanced within 1.5 grams on both sides Vacuum enhancer, w/indicator in cab Remote grease line for fan bearing COMPONENT WARRANTIES (by respective manufacturer) Sweeper la Months, 1200 Hours Very Device 36 months, unlimited hours Chassis sweeper hydraulic pumps and fittings 5 years Sweeper in reverse Hopper dump - in cab NSTRUMENTS Full color hi-res display with the following: Water level, broom speed, hopper load, vacuum enhancer position Sweeper and drive system diagnostics Hopper tilted and door open indicator, hyd temp enhancer position console for left or right sweeping Swiveling console for left or right sweeping Sweep power setting Sweep power setting Two body props to lock hopper in raised position Rear Amber LED Strobe With Guard Rear Amber LED Strobe With Guard Solow moving vehicle emblem, backup alarm, Chassis sweeper engine 24 Months 5-lb fire extinguisher, and a warning triangle kit.				
Door hydraulically opened, closed and locked 15" X 27" inspection door Shroud enclosing the water tank and Hopper vibrator for dumping assistance Water level, broom speed, hopper load, vacuum enhancer position BLOWER Sweeper and drive system diagnostics Closed face turbine 10 curved blades, 32.75" dia. by 5" wide 500 Brinell hardness abrasion resistant steel Fully balanced within 1.5 grams on both sides Vacuum enhancer, w/indicator in cab Remote grease line for fan bearing COMPONENT WARRANTIES (by respective manufacturer) Sweeper 12 Months, 1200 Hours VPD Device 36 months, unlimited hours Chassis sweeper engine 24 Months Sweeps in cab Sweep power setting Slow moving vehicle emblem, backup alarm, Chassis sweeper hydraulic pumps and fittings 5 years Rear view camera	·			
Shroud enclosing the water tank and Full color hi-res display with the following: Hopper vibrator for dumping assistance Water level, broom speed, hopper load, vacuum enhancer position BLOWER Sweeper and drive system diagnostics Closed face turbine 10 curved blades, 32.75" Hopper tilted and door open indicator, hyd temp dia. by 5" wide 500 Brinell hardness abrasion resistant steel Swiveling console for left or right sweeping Fully balanced within 1.5 grams on both sides Sweep power setting Vacuum enhancer, w/indicator in cab SAFETY EQUIPMENT Remote grease line for fan bearing Two body props to lock hopper in raised position COMPONENT WARRANTIES (by respective manufacturer) Sweeper 12 Months, 1200 Hours 2 rear yellow alternating LED flashing lights VPD Device 36 months, unlimited hours Slow moving vehicle emblem, backup alarm, Chassis sweeper engine 24 Months 5-lb fire extinguisher, and a warning triangle kit. Sweeper hydraulic pumps and fittings 5 years Rear view camera		·		
Shroud enclosing the water tank and Hopper vibrator for dumping assistance Water level, broom speed, hopper load, vacuum enhancer position BLOWER Sweeper and drive system diagnostics Hopper tilted and door open indicator, hyd temp dia. by 5" wide 500 Brinell hardness abrasion resistant steel Fully balanced within 1.5 grams on both sides Vacuum enhancer, w/indicator in cab Remote grease line for fan bearing COMPONENT WARRANTIES (by respective manufacturer) Sweeper 12 Months, 1200 Hours VPD Device 36 months, unlimited hours Chassis sweeper engine 24 Months Sweeper hydraulic pumps and fittings 5 years Full color hi-res display with the following: Water level, broom speed, hopper load, vacuum enhancer washed, proposition Sweeper and drive system diagnostics Hopper tilted and door open indicator, hyd temp Swiveling console for left or right sweeping Sweeper setting Sweeper setting Sweeper setting Two body props to lock hopper in raised position Rear Amber LED Strobe With Guard Slow moving vehicle emblem, backup alarm, Chassis sweeper engine 24 Months Sear yellow alternating LED flashing lights Slow moving vehicle emblem, backup alarm, Rear view camera				
Hopper vibrator for dumping assistance BLOWER Closed face turbine 10 curved blades, 32.75" dia. by 5" wide 500 Brinell hardness abrasion resistant steel Fully balanced within 1.5 grams on both sides Vacuum enhancer, w/indicator in cab Remote grease line for fan bearing COMPONENT WARRANTIES (by respective manufacturer) Sweeper 12 Months, 1200 Hours VPD Device 36 months, unlimited hours Chassis sweeper hydraulic pumps and fittings 5 years Water level, broom speed, hopper load, vacuum enhancer whopper in diagnostics Water level, broom speed, hopper load, vacuum enhancer position Sweeper and drive system diagnostics Hopper tilted and door open indicator, hyd temp Swiveling console for left or right sweeping Sweep power setting Sweep power setting SAFETY EQUIPMENT Two body props to lock hopper in raised position Rear Amber LED Strobe With Guard Slow moving vehicle emblem, backup alarm, Chassis sweeper engine 24 Months Slow moving vehicle emblem, backup alarm, Rear view camera				
BLOWER Sweeper and drive system diagnostics Closed face turbine 10 curved blades, 32.75" dia. by 5" wide 500 Brinell hardness abrasion resistant steel Fully balanced within 1.5 grams on both sides Vacuum enhancer, w/indicator in cab Remote grease line for fan bearing COMPONENT WARRANTIES (by respective manufacturer) Sweeper 12 Months, 1200 Hours VPD Device 36 months, unlimited hours Chassis sweeper hydraulic pumps and fittings 5 years enhancer position Hopper tilted and door open indicator, hyd temp Swiveling console for left or right sweeping Swiveling console for left or right sweeping Sweeper setting Two body props to lock hopper in raised position Rear Amber LED Strobe With Guard Slow moving vehicle emblem, backup alarm, Slow moving vehicle emblem, backup alarm, S-lb fire extinguisher, and a warning triangle kit. Sweeper hydraulic pumps and fittings 5 years				
Closed face turbine 10 curved blades, 32.75" dia. by 5" wide 500 Brinell hardness abrasion resistant steel Fully balanced within 1.5 grams on both sides Vacuum enhancer, w/indicator in cab Remote grease line for fan bearing COMPONENT WARRANTIES (by respective manufacturer) Sweeper 12 Months, 1200 Hours VPD Device 36 months, unlimited hours Chassis sweeper hydraulic pumps and fittings 5 years Sweeper and drive system diagnostics Hopper tilted and door open indicator, hyd temp Swieper tilted and door open indicator, hyd temp Swieper tilted and door open indicator, hyd temp Swieper setting Sweeper setting Sweeper setting Two body props to lock hopper in raised position Rear Amber LED Strobe With Guard Slow moving vehicle emblem, backup alarm, 5-lb fire extinguisher, and a warning triangle kit.
