North Carolina Sheriff's Association - Technology Bid Contract Pricing
Catalog Discount for RaaS (Recording as a Service) and Related Products

6% off MSRP for Catalog Items

6% off MSRP for Optional Items

RaaS is a recording as a service (RaaS) platform for mission-critical communication, 24/7, 365 days a year, providing PSAPS, public safety, and other mission-critical agencies with a unique way to record their communication by purchasing a subscription-based service.

Notes:

Other products and services may be available for Bid Discount – please contact Carolina Recording Systems for info and pricing.

Contact Carolina Recording Systems for catalog part numbers and latest pricing.

Subsequent annual subscriptions subject to annual pricing escalators.
