

attenti

**Empowers officers to
anticipate the future
behavior of participants.**

We provide our customers with the tools they need to enhance caseload productivity, case management, and public safety through Attenti Analytics.

Attenti Analytics

Enabling communities to become safer and more secure.

Since 1994, Attenti has been trusted by government agencies and service providers worldwide by providing advanced technology, exceptional support, and industry expertise. Our field-proven solutions improve the security of communities by enhancing public safety, protecting agency budgets, and helping participants rebuild their lives.

Key Features

Scoring

Allows officers to focus their efforts and give direct participant feedback to encourage compliance. Enhances efficiencies of program operations.

Trend Analysis

Each participant is assigned a daily compliance score based on behavior. Customizable dashboard settings based on agency preferences.

Easy to Read Dashboard

Information at a glance, providing a treasure trove of information on participant behavior quickly using data visualization tools.

Multi-Level Compliance

Provides visibility at the participant, officer, supervisor, and agency levels. Gives graphical visibility into regions, balances officer workload, and efficiently provides participant feedback.

Risk Transformation

Enables risk data aggregation, risk reporting, and data visualization tools.
