Key Features

Enhanced Monitoring

The Attenti Monitoring Center offers a cost-effective solution to reduce officer workload. We offer calls to offenders to resolve alerts, afterhours monitoring, officer alert calls, and enhanced escalation and call tree programs.

Monitoring Center Support

Knowledgeable Customer Service Agents quickly and accurately assist with software, equipment, mapping, zones, rules, notifications, and more. Our U.S. based monitoring center is available 24/7.

Multi-Tiered Account Management Team

Experts on our products, Attenti account managers provide training, technical support, inventory management, information on new product releases, and court testimony.

Contract Implementation

One of the benefits of contracting with Attenti is our two decades of experience implementing and supporting electronic monitoring programs. We have an infrastructure of experienced support personnel built from years of servicing contracts around the globe.

In-Depth Training

Attenti built its reputation on service and training is service; we take it seriously and we do it well. Our unique training approach can be tailored to meet your needs. Options include webinars, videos, and expert level on-site classes.
