- Warranty Information: This Limited Warranty covers any defects in material or workmanship under normal use during the Warranty Period. During the Warranty Period, Parsec Technologies will repair or replace, at no charge, products or parts of a product that prove defective because of improper material or workmanship, under normal use and maintenance. The Warranty Period for physical goods purchased from Parsec Technologies is 12 months from date of purchase. A replacement part assumes the remaining warranty of the original physical good. The Limited Warranty does not cover any problem that is caused by conditions, malfunctions or damage not resulting from defects in material or workmanship, including improper installation. Please contact Parsec Technologies at 972-804-4600 to determine if your product meets the warranty requirements.
