

## **digiTICKET Custom Configuration Services**

---

All professional services not listed in the Saltus/digiTICKET Project Catalog are provided based on estimated number of hours required to complete work and are charged at a rate of \$112.50 per hour. Saltus will work with the customer to define scope of work and then provide a “not to exceed” fixed number of hours to complete the work, as defined.

Please contact Shawn Sicking at 918.392.3904 or [shawns@saltustech.com](mailto:shawns@saltustech.com) to discuss definition of work and a resulting custom configuration services total.
