

CALL TODAY: 800.381.8321

Your citizens want...

More Transparency | Better Technology | Information at Their Fingertips

myEMAapp.com provides them all.

We've developed custom iOS and Android apps for emergency management and public safety organizations across the country for over nine years. In fact, we've built more custom public safety apps than any other company, making us the public safety app developer of choice! Give your citizens the app they both need and deserve. We want to learn about the needs of your organization and community to create a custom smartphone app that will help you keep your citizens informed and prepared.

Features Include:

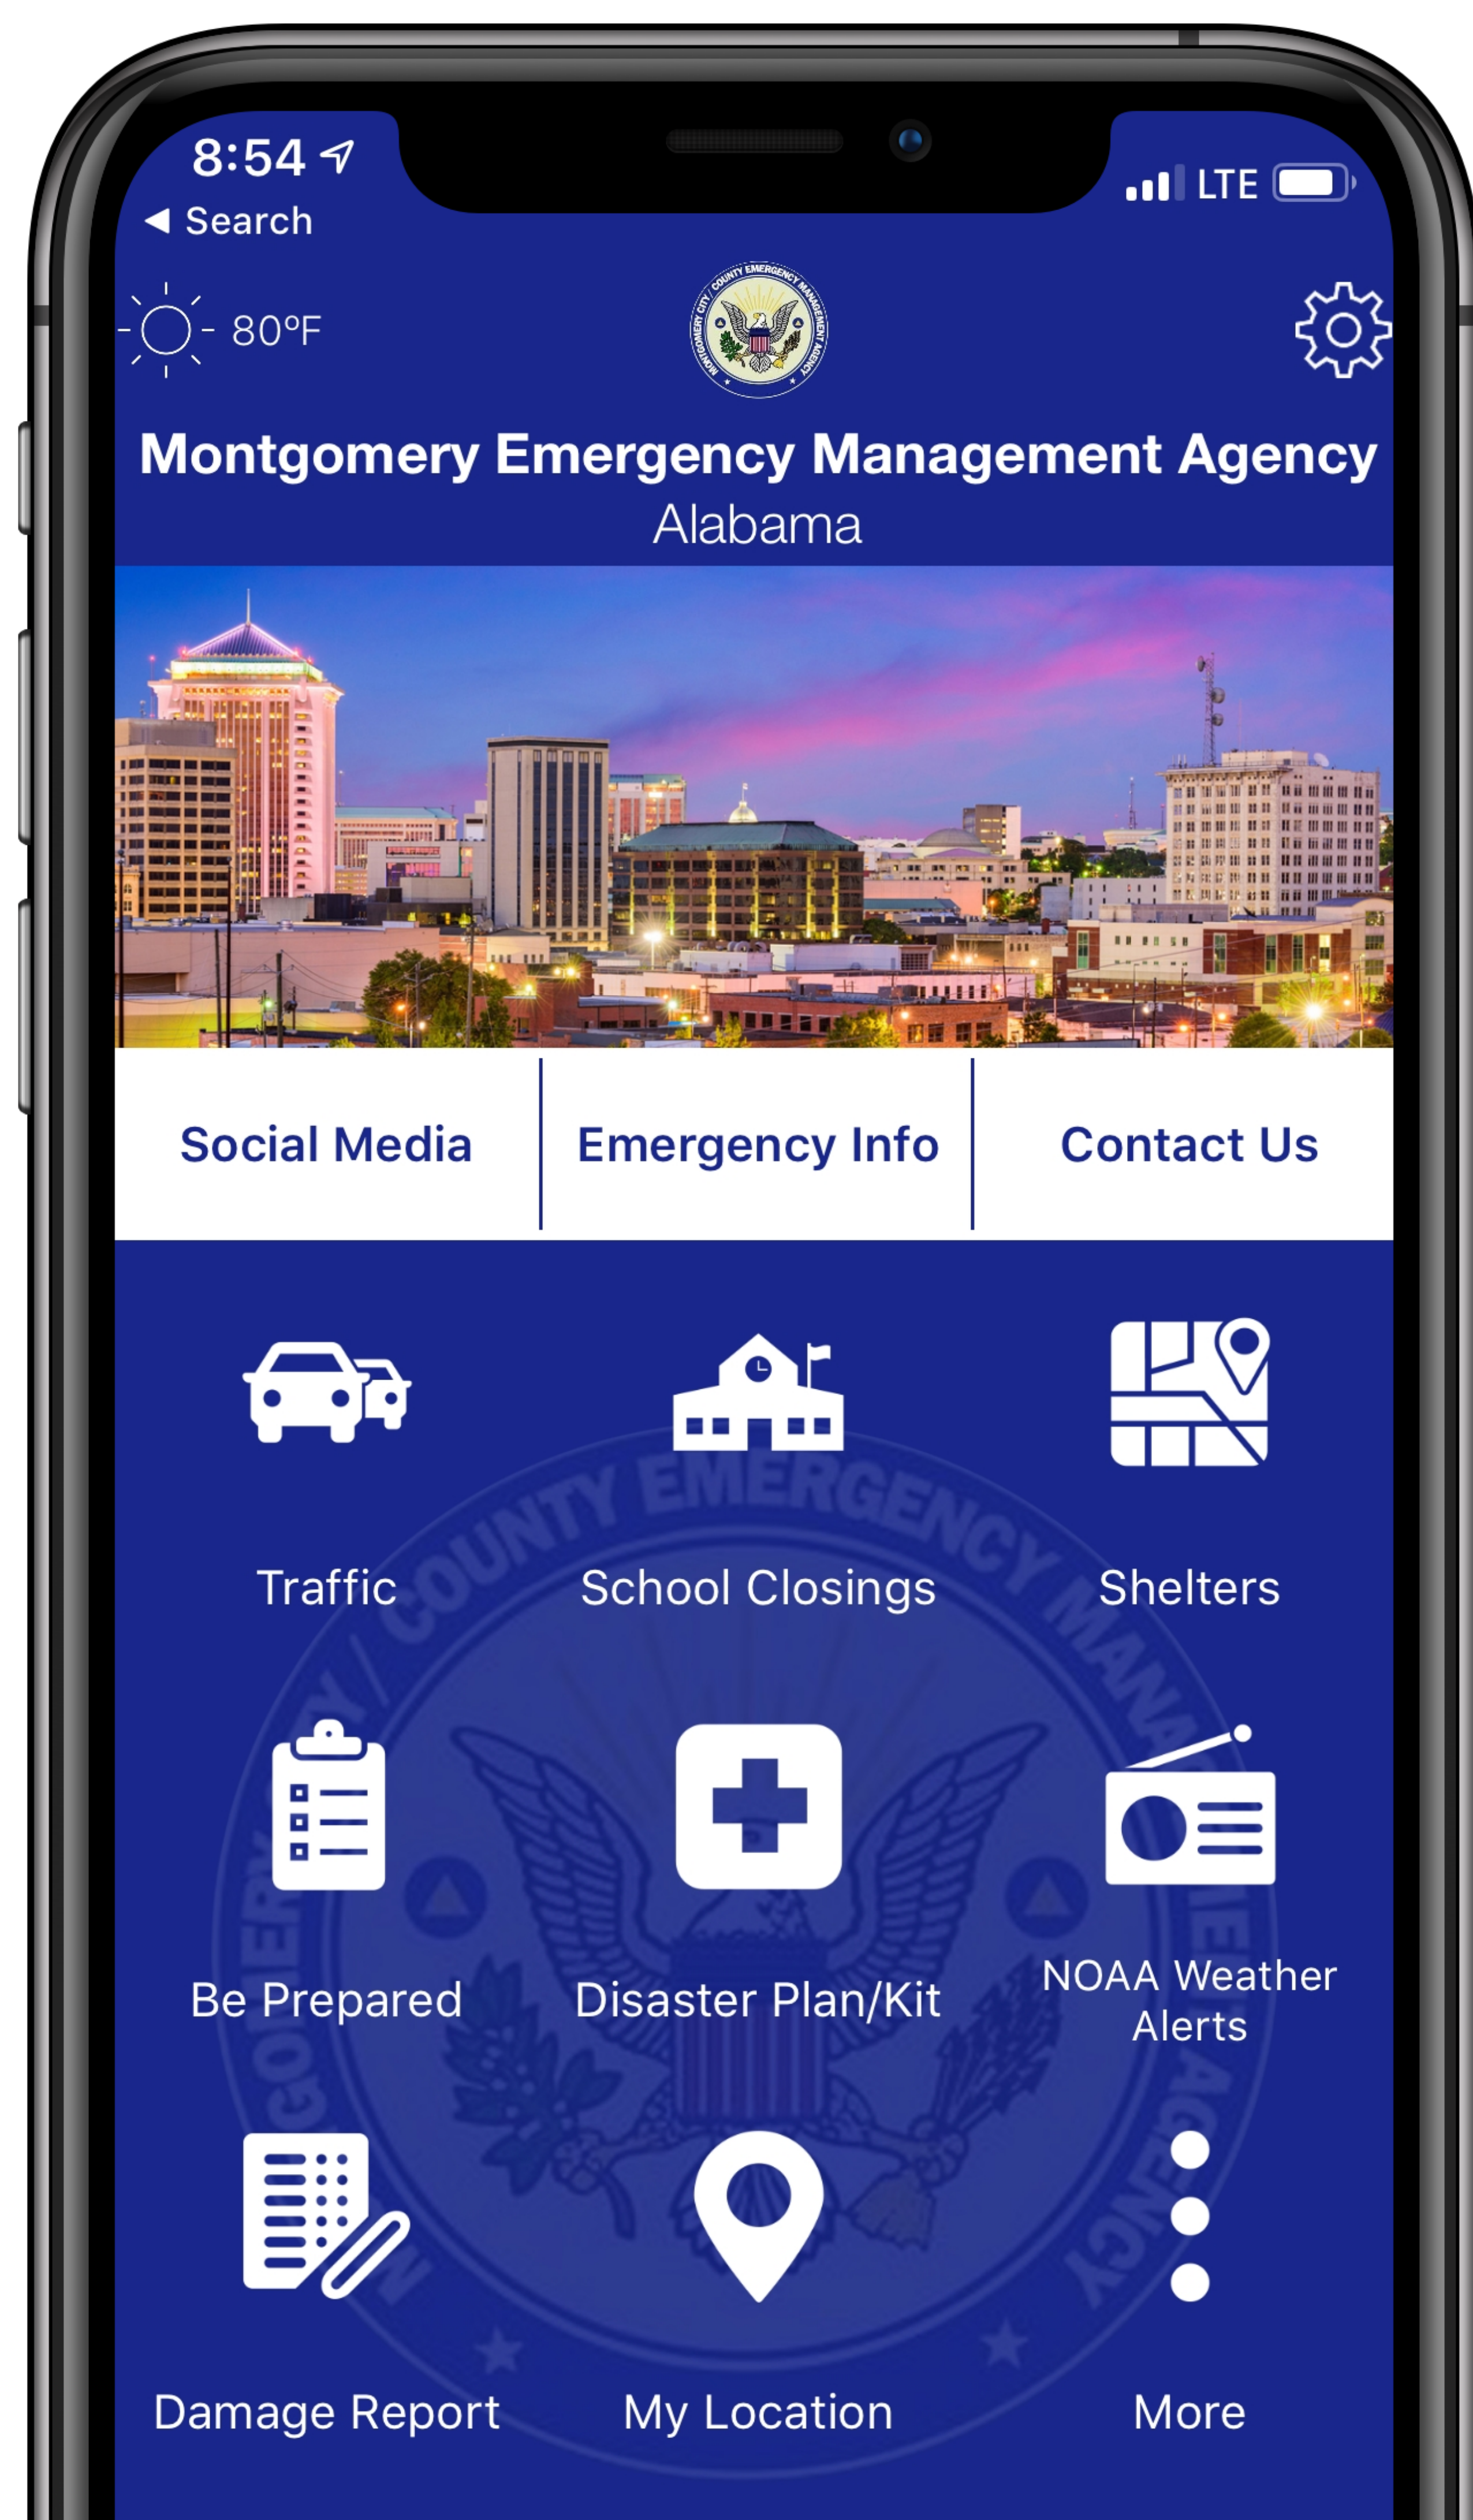

- Push Notifications*
- NWS Alerts*
- Emergency Checklist
- Shelters*
- Emergency Plan
- Damage Reports
- School Closings
- News Digest
- Power Outages
- Social Media*
- Traffic
- Many More

*Integration with existing feeds/providers available for additional fee.

"We wanted to keep our citizens informed and prepared at all times, and an app is the best way to do that in our day and age."

Director Christina Thornton
Montgomery City - County EMA, Alabama

Our Process

Strategy

Our team of communication strategists will work with your organization to determine your specific needs and how they can be met with an app.

Design

Our designers will develop the best design to present your information, making the app both helpful and easy to use for your citizens.

Development

Our team of developers will work to bring the app to life, implementing the previous design into a unique mobile solution.

Why myEMAapp.com?

Custom Features

Unlimited features built just for you, integrated with the latest technology in app development.

Two-Way Communication

You can communicate with your citizens, and they can communicate back easier than ever before.

Leaders in Public Safety

With nine years of experience, we know your concerns. We understand your needs. We're here to help.

100% Satisfaction

We work with you to meet all of your needs and integrate them into an app.

*Just a few of our current clients

“We realized that mobile apps are the new trend in technology and the best way to reach people where they are - on their smartphones.”

Director Tim Marshall
Steuben County, New York
