Custom Government Apps

CALL TODAY: 800.381.8321

Your citizens want...

More Transparency | Better Technology | Information at Their Fingertips

TheGovApp.com provides them all.

We've developed custom iOS and Android apps for municipalities and public safety agencies across the country for over nine years. In fact, we've built more custom public safety apps than any other company, making us the app developer of choice! Give your citizens the app they both need and deserve.

We want to learn about the needs of your office and community to create a custom smartphone app that will help you gain more transparency in your community.

Features Include:

- ★ Push Notifications
- ★ Forms & Records
- ★ Mayor's Welcome
- ★ Tourism
- ★ Staff Directory
- ★ Community Feedback
- ★ Event Calendar
- ★ Social Media
- ★ City Council
- ★ Many More

Integration with existing feeds/providers available for additional fee.

"Having the City of Fairhope app has given us an opportunity to reach more citizens where they are with the information they want and need about our community. In today's day and age where nearly everything is digital, this app and its ease of download and use has been a gift as we continue to find ways to reach all citizens."

Mayor Sherry Sullivan
City of Fairhope, AL
