Your citizens want...

More Transparency | Better Technology | Information at their Fingertips

ThePoliceApp.com provides them all.

We've developed custom iOS and Android apps for law enforcement across the country for over nine years. In fact, we've built more custom law enforcement apps than any other company, making us the app developer of choice for police. Give your citizens the app they both need and deserve! We want to learn about the needs of your department and community to create a custom mobile app that will help you gain more transparency in your community.

Features Include:

- Submit a Tip*
- Most Wanted*
- Sex Offenders*
- Push Notifications*
- News*
- Warrants*
- News Digest*
- Jail Information
- Social Media*
- Many More

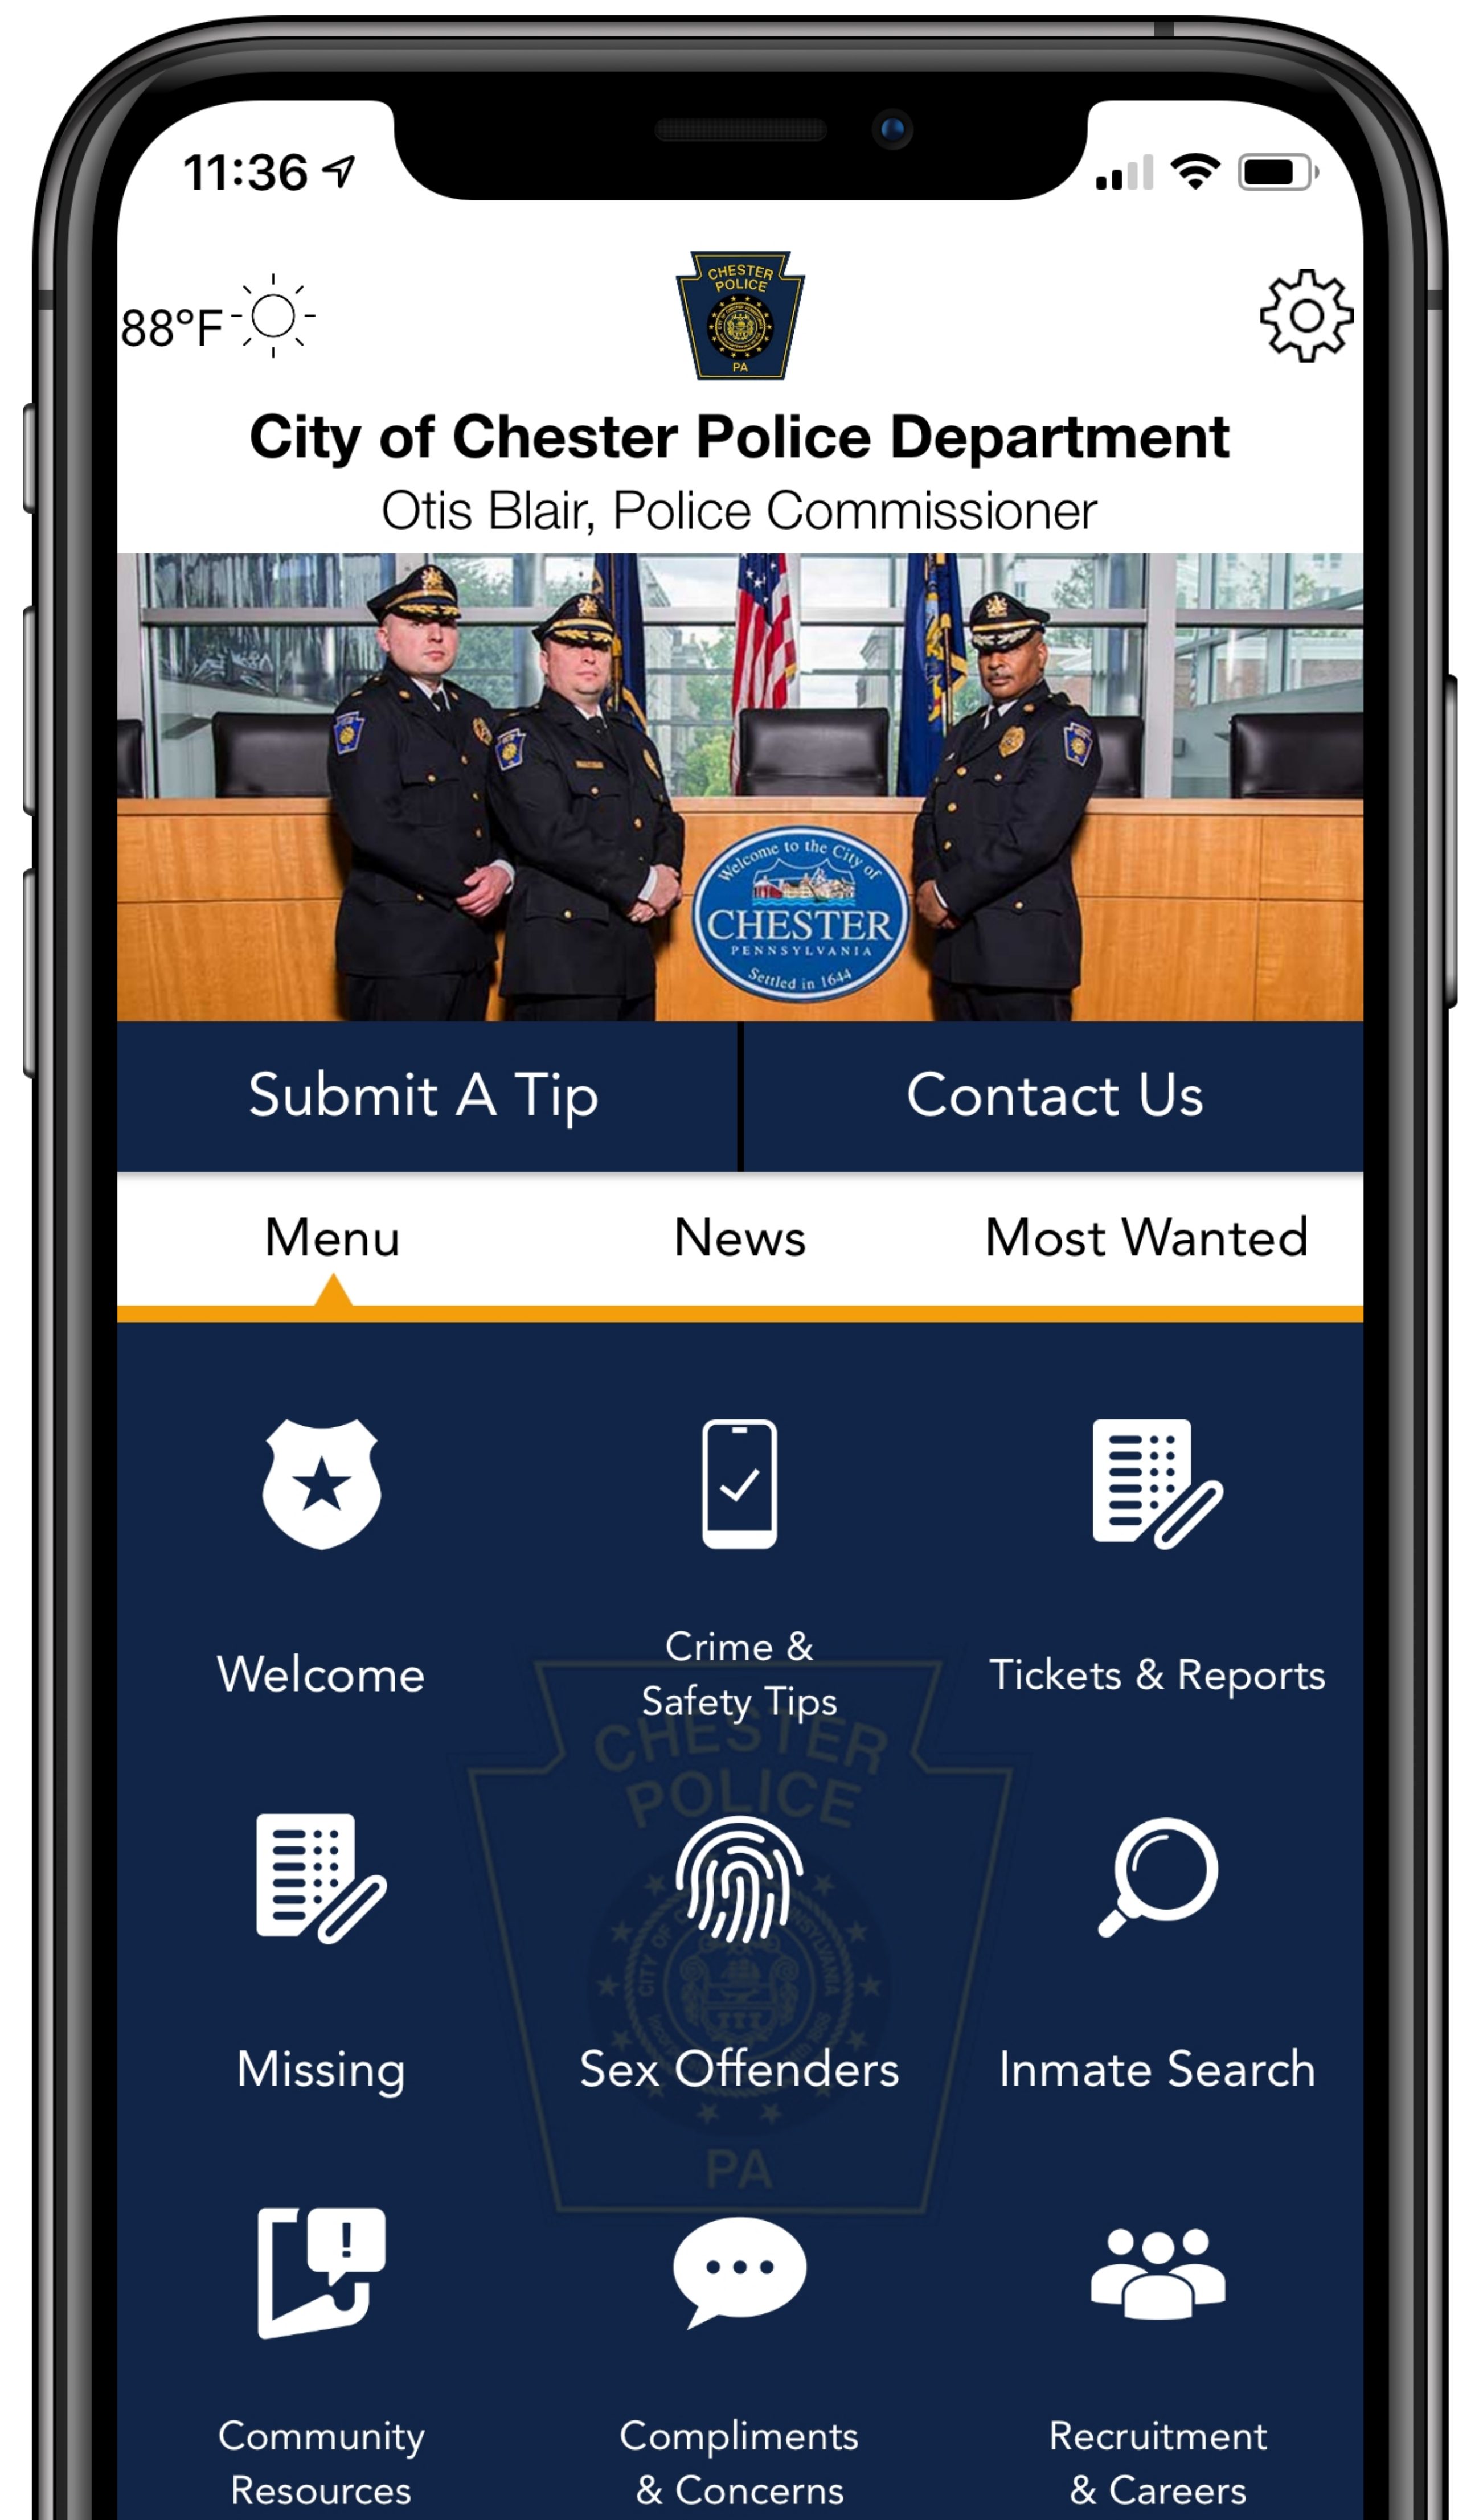

*Integration with existing feeds/providers available for additional fee.

The truth of the matter is there is no way to eradicate crime, but we can and will suppress it. That is why we welcome outside resources and innovative technology to assist us in our job to protect and serve the citizens and the city of Chester.
