Discount off MSRP for 300 Series Models: 23%

Freight/Setup Charges:

Standard Freight Charge *:

\$480.00/mower

(Rate is for shipping to the 48 contiguous United States, does not include Alaska or Hawaii. Regional rates may vary, please inquire for pricing.)

Add: Implement Freight Charge *:

\$210.00/implement

(Implements include but not limited to: AERA-vators, Sweepster Brooms, Grass Collectors, Cabs)

Add: Other Implement Freight Charge *:

\$90.00/implement

(Other implements include but not limited to: snowthrowers, 72" decks, highlift mount kits, canopies)

Add: Special Handling Shielded Sprayers & Turbine Blowers:

\$310.00/implement

Add: Mower Setup:

\$150.00/mower

Add: Implement Setup:

\$150.00/implement

^{*} Freight charges are for mowers & implements ordered at the same time. Freight rates for implement only orders will be Price-On-Request. Stated freight rates are based on factory discretion. Oher freight options are available, please inquire for pricing.

300 SERIES AIR-COOLED MIDMOUNT

Unexpected power in the straightaways

993cc, V-twin OHV Vanguard Big Block air-cooled gasoline engine

896cc, V-twin OHV Vanguard Big Block air-cooled gasoline engine

Power, efficiency and economy – equipped with a heavy-duty, Vanguard Big Block engine, with horizontal crankshaft for longer performance life, giving you intense mowing power in a surprisingly compact design.

Robust, design-matched G² hydrostatic transmissions with CoolFan™ hydrostatic pump cooling system and 7 micron absolute filter partnered with wheel motors create a fully hydraulic system for smooth, responsive steering and less maintenance with 1,000-hour fluid change intervals.

Only five Access-Eze™ lubrication points cut maintenance time up to 80%.

5.5-inch deep DuraMax® decks with anvil-edged design for exceptional durability easily convert from wide-pattern side discharge to optional mulching or vacuum collection. The QuikAjust™ DropPin™ Height Adjustment makes cutting height change fast and simple.

Deep-cushioned Premium Comfort Seat featuring CoolTemp Cordura® with lumbar and coil-spring suspension provides all-day comfort. The adjustable cup holder makes it convenient to tote along your favorite beverage. Electronic fuel gauge/hour meter on the console is standard.

A higher horsepower combined with a compact wheelbase provides a great power-to-size ratio.

ComfortReach™ provides 2 inches of adjustment at the base of the lever for a custom steering fit. No tools required.

The 12.0 gal/45.4 L single-fill fuel tank lowers the center of gravity, providing more traction and stability for an enhanced ride. The standard bumper protects the rear of the mower while preserving easy access and removal of the service shield.

Optional four-spindle dedicated rear-discharge decks evenly distribute clippings out back for a smooth cut and no windrowing to provide the quality cut you expect.

> Mowing speeds up to 10.5 MPH and 6.88 acres/hr. based on 72" cutting width* For more details visit: grasshoppermower.com/acres
