

# 433U Smooth Side Dump Body

*A continued tradition  
since the early 1900's*

## Tough & Versatile

The Galion 433U smooth side body is especially designed for heavy-duty hauling requirements. It is well-suited for construction work, aggregate hauling and bucket loading. All units are built of tough high tensile steel to virtually outlast and outperform all others. Recommended for single axle underbody hoist applications.

- *Horizontal pressed V-brace sides*
- *Material-shedding boxed top rails*
- *9" floor to side radius*
- *10 gauge construction throughout*

*Optional cab protector*

*Hinge and latch components  
are stainless steel cast*

*Optional 6 panel gate shown*

- *Double acting tailgate*
- *3-panel tailgate standard*
- *Tarp-friendly upper gate hardware*
- *Full-depth rear corner posts*
