

USD 95B Cart Options: NCSA Heavy Equipment Procurement Program Bid 24-08-0421

Please note:

- Freight/shipping cost is not included in the base price and must be quoted separately.
- Unit price includes a 6% discount off MSRP for standard options. Additional discounts may be offered based on the scope of work.
- Where “Quote” is noted, pricing must be provided at the time of the request based on the scope/requirement. Required discounts will be factored in.
- Full truckload quantity is 427 carts.
- Carts come with a ten-year warranty.
- Ancillary items and services, including Assembly & Distribution, Schaefer’s SelectMyCart™ program, and Schaefer’s WISTAR® technology, will be quoted upon request based on the scope of work. Required discounts will be factored in.
- Inquire about our cart buyback program to recycle injection molded carts no longer in use.
