SUBJECT: NEW MODELS & OPTIONS

MODELS: M30-4 AG, Bin Clamp + M30-4/M40-4 QUICK SHIP

TO: All Manitou Vertical Masted Forklift Dealers

One Gehl Way
West Bend, WI 53095

262-334-9461 (P)

Manitou is excited to announce three new Models to the Popular M-series Range. These new models will push the M-series range into new industry sectors and help you penetrate new markets

The all new M30-4 AG machine combines a purpose built package of machine, larger tires and optional bin clamp to be extremely efficient and easy to operate. The machine is featured with two mast options and an optional bin clamp that are all purpose-built by Manitou for gentle handling of bins and palletized materials on the orchard, market or farm. The M30-4 AG machine expands the M30 forklift line and shows Manitou's continued commitment to agriculture sector in North America.

NEW M30-4 AG Forklift

M30 AG FEATURES

- No glass to break and pollute the soil
- Two mast choices: 12' 1" and 14' 1"
- Stocked configurations for faster availability
- Reduced options for fast machine configuration
- Optimized hose routing for better vision

M30 AG SPECIFICATIONS

24" rough terrain front tire
Optional bin clamp
Max capacity: 6,063 lbs
Ground clearance: 15.5"
74 HP (55kW) Deutz 3.6 Turbo
Diesel with DPF - no DEF

Manitou is also excited to announce the availability of the all new M30-4 and M40-4 QUICK SHIP - Rental Spec - machines. These machines are designed with the rental industry in mind. They have no windshield glass and few options so there's less that can be broken. Fewer options also means easier machine specking. The M30-4 and M40-4 QS machines show Manitou's commitment to the rental industry.

NEW M30-4 and M40-4 QUICK SHIP Rental Spec Forklifts

NEW QS FEATURES

- Forward mast tilting up to 42° for easy transport
- Two mast choices: 15' and 22'
- Stocked configurations for faster availability
- Reduced options for fast machine configuration
- Open cab without doors, glass and mirrors

NEW QS SPECIFICATIONS

M30-4 or M40-4
24" rough terrain front tire
Max capacity: up to 8,179 lbs.
Ground clearance: 15.5" (M30) and 16" (M40)
