ARM Sales and Marketing Director Approval Signature

Date

I understand this document is a binding purchase order and is a contract for the purchase of goods. This purchase order can not be amended except in writing by both parties. This agreement constitutes the entire agreement between both parties and there are no other understandings other than those incorporated within.

Authorized Customer Representative Submitting Purchase Order

Date

Make note of the following: All prices are subject to change without notice. All pricing is quoted and to be paid in U.S. funds. Payment required before release of MSO. Warranties on chassis and auxiliary engine (if required) are provided by their manufacturer and are not covered by ARM. Dealers are responsible for reviewing, and verifying, all quotes prior to submission in regards to the customers' bid requirements. Write-in options are subject to final approval concerning both structure and price by ARM management. This Electronic Build sheet (EBS) is a communication tool between ARM and its Dealers. This EBS is proprietary to ARM and may not be modified or used for any other purpose without the written consent of ODB. Dealer Net pricing should not be shared with end customer by ARM or its Dealers.
