* The V9 Series E-Active models meet the requirements of the FMVSS Standard 500 Regulation.

** Governor Limited.

*** Passenger rating depends on weather the vehicle will be driven on or off public roads. Vehicles driven on public roads are rated for fewer passenger due to FMVSS 500 gross vehicle weight limitations. Contact dealer for details.

**** Range will vary based on factors including but not limited to: temperature, terrain, driving style, road condition, vehicle payload, charge and battery life span. You may experience longer or shorter battery life span based on application, charging regimen, depth of discharge, temperature, rest periods, type of equipment, and age of battery.
